

## CORRESPONDENCE

32 Malzeard Road,  
Luton,  
Beds.

4th January 1971.

Dear Sir,

I would like to record my appreciation for the note in the January issue about my father.

Those who knew him will realise that the prospect of retirement was not a thing he approached with enthusiasm. For the end to come on the course he loved, and on such a fine morning, have made the suddenness and the sadness a little less strenuous.

It is a coincidence that you print in the same issue the picture on page eleven. There was a large copy among my father's things, and he is standing in the back row, second from the right. Two other faces I recall from the years just before the war when we were at Shirley Park, are Bill Smithers and George Martin who were at Addington Palace and Addington. They are in the centre of the back row.

I would like to offer your Association my good wishes and much success in the years ahead.

Yours sincerely,

JOHN McKEAN.
