November Lecture

This will take place at 6.30 p.m. on Wednesday, 3rd November at the Ship Tavern, 27 Lime Street, E.C.3. William Finch, NDH Horticultural Consultant will be with us again and this means we have an interesting lecture to look forward to. In his letter to me he says that he will be glad to come and talk to us again and give us all the latest information on Seaweed. He also says they have had some very interesting results on turf.
