

### Old friends

The following list are names and addresses of Class F members of this section, i.e. life members, retired head greenkeepers who have done so much for the Association in the past by their attendance at meetings and services on committees, etc. To let them know that they are not forgotten men, our Chairman, Charlie Moore, visited several of them at Christmas taking with him a bottle of their favourite Christmas spirits. Money gifts were sent to the widows of recently deceased members and I understand that all our Class F members will be contacted as soon as our new benevolent fund builds up again.

I am sure they would all like to hear from some of their old friends and if anyone with a car in those areas could make contact and pick them up to bring them to a meeting, Annual Dinner, etc., this would also be much appreciated.

## News of Paul Voykin

Extracts from *The Golf Superintendent*

"Indefatigable Paul Voykin, superintendent at the Briarwood Country Club, Deerfield, Ill., informs us that he is running unopposed for a park board commissionership in Lake Bluff, Ill. He also has begun work on his second book, which is designed to tell the new homeowner how to landscape his property without going bankrupt. You may recall that his first book is titled *A Perfect Lawn the Easy Way.*"
