## SOUTHERN

By F. W. Ford

Hon. Secretary:  
68 Salcombe Gardens,  
Mill Hill, N.W.7.  
Tel: 01-959 2847

Chairman:  
C. A. MOORE  
(Stanmore)

A MERRY CHRISTMAS and a Happy New Year to Members of the B.G.G.A. everywhere.

### November Lecture

A good gathering met at 'The George' and, despite being embarrassingly short of seats once again, I feel that the speaker, Mr. Pat Moran, with his subject of 'Trees' was thoroughly enjoyed by all.

He was so obviously very enthusiastic about his subject that I am sure he would have liked all present to have gone home and planted as many trees as possible on their respective courses. I, personally, couldn't agree more; for apart from replacement planting, there is room for many more trees and shrubs on most golf courses. As wind breaks, trees had been known to reduce 100 mph to 40 mph.

Trees and shrubs recommended for planting were Red Oak, Silver Birch, holly, forsythia, broom etc. In particular, Silver Birch trees were recommended for 'their easy planting and no autumn leaf problems'.

### Elm Disease Treatment

— Dry branches which show the slightest infection must be cut back to healthy parts and burnt (change of colour and dying back of leaves).

- Mulch the base surrounds with cow dung or compost, approximately 6in. thick, and water copiously.
- In dry weather conditions i.e., spring and summer, an aerial mist spray would be a great advantage to supplement the moisture in the air.

The meeting closed with a vote of thanks to Mr. Moran with the hope that he would visit the Southern Section again in the near future.

In the Benevolent Fund Draw, which concluded the evening, the Red Oak was won by R. Lance and is firmly established at Surbiton by now, we hope! The bottle of Scotch was won by Jock Rennie. The total proceeds of £9.55 included a £1.00 donation by Jock.

### January Lecture

6.30 p.m. Wednesday 3rd January, 1973

This will be the showing of a new film 'The Royal and Ancient Game'. It is not a selling film and it is based on the preparation of St. Andrews for the Walker Cup and the design of a course by Fred Hawtree and quite a bit about the history of the game.

The commentary is given by Fred Hawtree, John Campbell, Links Supervisor at St. Andrews, and Henry Longhurst. There will also be slides of the International Turf Show in America with commentary on the opinions of certain leading Superintendents on the use of Triple Green Mowers.

As this is the premiere of the golf film in our area, Ransomes would like members of the Southern Section to see it before it is generally shown to Golf Clubs.

Light refreshments will be provided and we hope to have with us E. G. Catchpole, Phil Marshall and John Shaw.

### New Members

A warm welcome to the following new members:- P. J. L. Fileary and I. F. Wilkins (Temple), J. Cockburn, Mr. R. Smith, W. Maggs, A. H. F. Jiggins, G. R. Young and R. C. Jennings, Class E Members.

Thank you, once again gentlemen, it was something to remember.

#### Slater Trophy

The annual match for the Slater Trophy against our friends from the Northern Section was played at Lindrick Golf Club on October 11th, 1972, and in spite of the persistent drizzle the course was in perfect condition, thanks to George Herrington and his staff.

The result of the match was not a pleasant one for us, going down by 6 matches to 4, with 2 halved, and so the trophy was presented to the Northern President, Mr. Mountain, by our own President Mr. Arnold.

Our thanks are due to the Captain and Directors of Lindrick Golf Club for giving us the opportunity to play over the Championship course, also thanks to the Steward and his staff for looking after us so well.

#### Coach Cup

The Coach Cup was competed for in the morning before the Slater trophy with 24 members taking part in the 9 holes Stableford competition. The winner with 20 points was H. Holmes and Mr. Arnold was second with 19 points.
