

of course, a return visit by a limited number from England. The world is not big these days as far as travel is concerned.

We do, in fact, raise funds here on Open Golf days to make this sort of thing possible—to go to New Zealand and Inter State. With Air Travel the job is simple, it is just a matter of finding funds.

Kind regards,

REGIONAL TOURNAMENTS

Once again our regional tournaments are under way and our members will be competing in all parts of the country for numerous prizes, perhaps none more coveted than winning one of the Ransomes Watch.

These inscribed prizes are presented each year by the Ipswich Company and we got this shot of some of those that are awarded annually. Are you going to win one in 1974?
