

ANDREWS POWER FORCE

Professionals, like you, need fast reliable power. The sort of performance that Andrews *guarantee* with every machine they sell. If you want the best—here they are.

PORTABLE POWER

Take your power with you. An Andrews generator gives you instant, economical power at the pull of a cord. These portable generators come in no less than 7 different sizes to answer your power needs. Every unit is built to the same sturdy specification for trouble-free performance anywhere, anytime.

'CYCLONE' SPREADING POWER

The most powerful spreader on turf now comes in three sizes

The 'Standard' covers 120 sq yards in one minute.

The 'Compact' is ideal for larger lawns. Designed for easy towing behind any ride-on mower.

The 'Major' is the really big one. Its giant 10 ft. swath gives you a two acre per hour performance!

FLAIL-SAFE WITH BLUEBIRD

'Bluebird' is the most powerful scarifier on turf. Its strong, almost maintenance-free, 5 h.p. engine flails out grass cuttings, twigs, leaves and lawn-stifling thatch. The result—an immaculate sward. It's certain to be our 'Best Buy' in '74.

BILLY GOAT EATS RUBBISH PROBLEMS

'Billy Goat' has an insatiable appetite for rubbish. No special diet, this machine picks up leaves and grass cuttings, plastic cups, newspapers, cans and even bottles . . . then reduces all to a mere fraction of its original size and holds it in a huge dust-free bag ready for disposal!

The "Yazoo" Master Mower is being added to the Norlett Professional range of mowers, ride-ons, and cultivators. The "Yazoo" is a one man, one mower machine, and is intended for use on golf courses, and anywhere there is a large expanse of grass to be cut.

One feature of the "Yazoo" is that it will mow round trees, poles and other protruding obstacles, mows cleanly under guard rails and hedges as well as overhanging trees. It can also deal with vegetation around lakes, ponds and rivers, due to the front mounted cutter unit.

The "Yazoo" has a front wheel drive with rear wheel steering, giving good manoeuvrability. It is available in four versions, namely the 42" and 48" with Briggs and Stratton 16 h.p. engines, and 60" with 12.5 h.p. and 18 h.p. Wisconsin engines respectively. This mower has been designed to cut time spent in mowing as well as reducing the cost of maintenance and repair and is fitted with heavy duty automotive type transaxle drive.

The recommended retail prices for the "Yazoo" are: The 42", £1,035., the 48", £1,130., the 60", £1,310 and the 76", £1,710.
