

Ransomes

for a cut
ABOVE the average

Ransomes mowers are used for the Royal and Ancient Golf Club at St. Andrews, the Centre Court at Wimbledon, England, and famous pieces of turf all over the world.

Ransomes 20-inch 'Antelope' is a fully driven machine for tackling banks and verges, and other difficult places. Yet it will leave a good finish on grass of up to 1-acre in extent. Look at these features:—
