## Ransomes Auto-Certes

20" cut & 18" cut

### Single point height-of-cut.

A single micro hand wheel adjusts the height-of-cut from  $\frac{1}{8}$ " to  $\frac{1}{4}$ " at only 1/64 at a time.

for a superb finish to golf greens, cricket squares and bowling greens

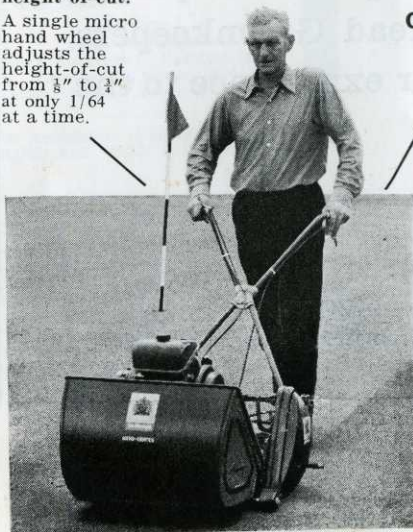

**Dual control.** Separate landroll and reel clutches enable easy control of the mower at all times.

**Brush and Comb Set.** A nylon brush and steel comb are optional extras, for controlled turf grooming.

**Super strength cutting reel.** The 10-knife, impact resistant steel, cutting reel stays razor sharp longer—gives a perfect finish.

**Transporting.** Power-driven transport wheels allow quick, effortless site-to-site transportation.

**Outrigger rolls.** Fitted as optional extensions to normal front roll—gives extra stability on undulating green.
