Ransomes Junior Motor Triple

with power driven cutting cylinders

The '73" cut' Junior Motor Triple is the latest addition to the Ransomes family of power-driven gang mowers. A compact weather-beater with ample power where you want it – at the cutting cylinders.

Low cost, high work-rate performance with a minimum of operator fatigue will appeal to Golf Course Administrators responsible for the cutting of golf course tees and approaches.

Power driven cylinders take the 'drag' out of mowing. Wet or dry, you can go gang mowing.

Keep a step ahead with Ransomes, pioneers of power-driven gang mowing.
