Greenkeep

Ransomes Auto-Certes 20" cut & 18" cut

for a suberb finish to golf greens,

cricket squares and bowling greens

Single point height-of-cut.

A single micro A single fine hand wheel adjusts the height-of-cut from \(\frac{1}{2}'' \) to \(\frac{1}{2}'' \) at only \(1/64 \) at a time.

Dual control. Separate landroll and reel clutches enable easy control of the mower at all times.

A nylon brush and steel comb are optional extras, for controlled turf grooming. Super strength cutting reel.
The 10-knife, impact resistant steel, cutting reel stays razor sharp longer—gives a perfect finish.

Transporting, Power-driven transport wheels allow quick, effortless site-to-site transportation.

Outrigger rolls. Fitted as optional extensions to normal front roll—gives extra stability on undulating green
