

Easy Guider

Climb aboard the Ransomes 'Twenty-Four' Ride-on and you're ready to take lawns, golf tees and approaches in its stride. If there are trees and flower beds to be negotiated you're really on a winner. There's no easier Ride-on to control, differential gearing and complete accessibility of all controls from the driving seat ensures that. A mower that is such a pleasure to use that you take the fine finish it gives to grass almost for granted.

If you feel you need the exercise the 24" Ride-on converts to a pedestrian controlled mower in seconds. Your local distributor would love to show it to you. He's waiting for your call.
