

# The easy way to get the better of playing fields

For greens matting or mild scarification of playing areas, the Ransomes Hahn PD-2 power Drag really covers the ground.

One man covers 9'6" at one pass, the 3.H.P. engine making easy work of a task that could otherwise be a chore. For narrow areas the two wing mats are removable.

The Power Drag's unique swirling action really gets top dressing down through the grass to the soil, where it's needed. It is also invaluable for hard playing areas.

When you've finished, the Power Drag folds up quickly taking up minimum space for transport or storage.

This superbly practical turf maintenance tool is waiting to be demonstrated to you. A call to your Ransomes dealer is all that's needed.
