

There's nothing to beat a **TORO** Reelmaster 216

Lightweight and extremely agile, the Reelmaster 216 guarantees a truly superb quality of cut ... fast and efficiently. Compare this triplex mower with any 'so-called' competitive model and it's easy to see why the Reelmaster leads the field.

Large grass baskets are simple to attach and remove. Controls are a 'joy' to operate and with TORO's exclusive single knob (no tools required) adjustment, the operator can quickly achieve precision bedknife to reel contact. With the addition of the new three wheel drive model there's no stopping the best in the business.

For added performance and versatility, the Reelmaster 216 features 3-wheel drive. And a 3-wheel drive kit is available for earlier models, too.
