

There's very little we can't cope with

...either on or off the grass!

Clubs and numerous sporting complexes throughout the country have nothing but praise for these truly exceptional tractors and all British Built attachments. LELY ISEKI is the name you can depend on for reliability, versatility and above all economy. Sales and Service Distributors with fully trained personnel in your locality. Give Colin Gregory a call and arrange to see any one of the 16 to 72 hp 4 WD models working under your conditions. Also ask to see the new TX 2160 'HST' 4 WD but don't leave it too late!
