

## Select A Spreader

The new Parkers' range of fertiliser spreaders comprises four models - the Standard, Professional, Super Professional and Master. All feature ten position controllers to adjust spreading rates, vibrating gate and steel frames finished in baked and epoxy enamel, stainless steel rotary agitators and spread widths of between 5-8ft.

The Standard has a zinc plated steel hopper, 16/49 gears and

gearbox and standard duty 8in x 1.75in plastic wheels. Capacity is around 40lb.

The Professional incorporates a stainless steel hopper with high polish, brushed finish, 16/49 gears and gearbox and heavy duty 8in x 2.25in plastic wheels. Capacity is similar to the Standard.

Parkers' 40lb capacity Super Professional spreader, again, has a high polish, brushed finish stainless steel hopper, 16/49 gears and gearbox, but 8.75in x 2.8in pneumatic tyres.

Top-of-the-range, the 90lb capacity Master, features 10in wheels with nylon bearings and smooth tread tyres. Hoppers are made from low polish, smooth finish stainless steel, protected with a bump bar/hand hold. Handles are double bolted and double braced and the axle, spinner shaft, rotary agitator, on/off control cable and all nuts and bolts are stainless steel.

Full details from T. Parker & Sons (Turf Management), Worcester Park, Surrey KT4 7NF. Tel: 01-337 7791.

The Master, Super Professional, Professional and Standard - all from Parkers.

## Agar Goes Jumbo Sized

Agar Equipment has added a semi-trailed sweeper-collector with a jumbo-sized box to its range.

It is available in three widths, 4ft, 5ft and 6ft in capacities of 1.30cu m, 1.60cu m and 1.87cu m (approximately) and can be supplied as a complete sweeper-collector unit, or the box and trailer only can be provided for

fitting to existing sweepers.

Agar claims that, by positioning the front wheels on a centre line of the brush, accurate height adjustment is possible from 0 to 3in, enabling the sweeper to follow ground contours closely. And by fitting fully castoring wheels to the rear, Agar says the jumbo is more easily reversed and overall manoeuvrability improved.

The sweeper will collect leaves, grass and rubbish (where practicable) from lawns, fairways,

formal grass areas and paths. Driven by a double vee belt from the pto driven gearbox, it is three-point linkage mounted and suitable for use with any tractor having pto.

The collection box can be emptied without the operator leaving the tractor seat. A canvas dust cover is standard.

Further information from Agar Equipment, Unit H 7/9, Blackpole Trading Estate, Worcester, Worcestershire WR3 8SG.

## COTSWOLD HILLS GOLF CLUB

### REQUIRE A

## HEAD GREENKEEPER

of proven ability on upland courses. Attractive salary for the right person. Apply in writing, giving brief details of record to date, to:

## HASTINGS BOROUGH COUNCIL

### HEAD GREENKEEPER

Salary up to £10,213  
(July Pay Award Pending)

An experienced and appropriately qualified person is sought to take responsibility for the maintenance and development of the town's Municipal Golf Course.

Working under the general direction of the Assistant Parks and Amenities Officer, the successful candidate will be involved in all matters relating to the maintenance of the Course, including the management of a small team of manual workers.

This is a demanding role and applicants should possess a full professional qualification in fine turf culture as well as having substantial practical experience of golf course work.

In addition to supervisory duties the postholder will be required to make a direct contribution to the section's daily workload.

(Ref: 070/130)

Closing date for this post is 3rd September 1986.

Application forms for the above post and further job particulars are available from the Town Hall, Queen's Road, Hastings, East Sussex, TN34 1QR. (Telephone 0424 424182).

Hastings Borough Council is an Equal Opportunities Employer.
