### Winter's tale with a message

Probably the most authoritative article ever written on such an emotive subject as winter play on greens. We believe Jim Snow's timeless words should be mandatory reading for every serving member of a golf club committee in the land .....Pages 12-15

### Preparing for the big one: BTME '92

As the last minute fine tuning for Britain's most successful indoor exhibition takes place, along with an exciting and ambitious seminar programme, we take a look at what's coming up. We profile some of the speakers and explain the background to the big event .....Pages 19-25

### Half a century of service

Greenkeeper International is proud to acknowledge the huge service that Cecil George - a 'man o' many parts' - has contributed to greenkeeping for almost 50 years .....Page 8

### The worm keeps on turning

Jon Allbutt offers some thoughts on the demise of Chlordane, Rhone Poulenc add their contribution - and the news that Britain is receive thousands of the creatures on import .....Page 9

### Not The Way Forward

David White uncovers an alarming state of ignorance of what should be a policy document for the future .....Page 7

### Roll up for BIGGA membership

Subscription details for 1992 .....Page 4
