At home and abroad, Greenkeeper International is rapidly becoming the best used magazine in our industry. Greenkeeper International certainly produces results for its advertisers. We know, as an average, 75% of the display advertisers in our first two issues had response, because we received Reader Reply cards for them. Some might be sceptical about our 'International' title. However, in recent weeks, display advertisers have received enquiries from Sweden, Ireland, Germany, Holland, Austria and the USA. Greenkeeper International works - use it!
