Directorate of Technical Services

**Adaptation and extension of existing irrigation system
at Hainault Forest Golf Club.**

Suitably qualified and experienced contractors are invited to tender for the
design, adaptation and extension of an existing irrigation system installed in
1974 by Watermaton Ltd.

Tenders must:

- i) Be completely familiar with Watermaton Ltd irrigation equipment.
- ii) Provide the names and addresses of at least two referees who can supply
evidence of the successful completion of two contracts involving this
equipment.

All works shall be completed and ready for operation by 30th March 1992.
The anticipated cost of the works is £30,000.

Evidence of item (ii) must be submitted with a written application for tender
documents to:

**The Director of Technical Services, PO Box 2, Town Hall, 128-142 High
Road, Ilford, Essex IG1 1DD, quoting ref: FCL/SKC/EMS/AS**
