

★ Pictured at the IoG exhibition, BIGGA chairman John Crawford presents an award for furtherance of greenkeeper education – the BIGGA Education and Development Fund – to Gold Key supporter, Jonathan Harmer of Farmura Environmental Products. This award brings the total of Gold Key supporters into double figures, the presentation marking the tenth donation to the Fund.

Countdown has started to BIGGA's main event

Harrogate is now only four months away – so read all about it now, make a note in your diary of the dates and get your place booked!

Included in this issue of Greenkeeper International you will find a copy of the Educational Seminar Programme giving details of the workshops and seminars together with a copy of the BTME Newslite. A booking form is also enclosed and as always, please book early especially if you wish to make use of BIGGA's education and accommodation packages.

At Harrogate, we will be launching the much awaited career video and if it receives as much acclaim as the recent training video, then it is bound to be a success. We have received numerous letters and telephone calls at HQ congratulating us on the professionalism and quality of the video on "Setting the Standards in Spray Application".

The Toro/PGA Student Greenkeeper of the Year Award is reaching its climax. As you will read on Pages 14/15, the eight finalists will meet at Aldwark Manor on 10/11 October to decide the 1993 winner and runners up.

The ICI Greenkeeper of the Year Award has now reached its next stage and the five regional finalists have been selected. They will now receive a visit to their course by Huw Parry, BIGGA's Education Chairman together with Richard Minton from ICI.

The five finalists will be featured in the next edition of Greenkeeper International.
