## REJUVENATE YOUR CUSHMAN TURF-TRUCK WITH A KOHLER COMMAND ENGINE

Many Turf-trucks are still in good condition, but powered by an engine which is now unreliable and parts are difficult to obtain. A kit is now available to replace the existing engine with a KOHLER COMMAND 20 h.p. engine.

The COMMAND repower kit saves both capital and running costs. A usable machine for the price of an engine makes sound economic sense. Get the facts from:
