## Insurance protection forms part of BIGGA membership package

Accidents happen. We all know that. They happen at home, or playing sport, or travelling – and at work.

And when they happen, it can be painful in more ways than one. Accidents can result in severe financial hardship. That's why BIGGA, in conjunction with Fenchurch Northern, provide to all members some protection within the membership package.

Benefits include £5,000 upon death, permanent total disablement, loss of limbs or blindness. Loss of hearing in both ears means £2,500. Toes, fingers and thumbs are worth £50 – £1,000. For temporary total disablement (payable for 104 weeks but excluding the first week of any period of incapacity) you would receive £35 per week.

In common with all insurance policies there are exclusions. For example, benefits will not be paid out if the injury is self-inflicted (eg. suicide), or if you were under the influence of drugs or alcohol. Nor will it pay out if you are "pregnant or suffering from sickness or disease not resulting from any bodily injury (ie. where the injury cannot be identified with a specific accident) or suffer from bodily injury due to a gradually operating cause (ie. any injury/illness which is pre-existing or cannot be identified with a specific accident occurring during the period of the policy)."

If an accident occurs the circumstances should be reported to Fenchurch Northern immediately. Fenchurch Northern are at Bramley Business Centre, 533 Stanningley Road, Leeds LS13 4DA. Telephone 0532 558400 fax 0532 570310.

Members can increase the benefits on application. These additional benefits are available on completion of a health questionnaire at relatively low premiums ranging from £15 – £60 dependent upon the benefits required.
