Our winter tournament took place at Baildon GC. As you might expect for the time of year, the weather was decidedly mixed with everything but snow thrown at us in a howling wind.

The day was a great success nevertheless and everyone concerned enjoyed themselves. I must thank the head greenkeeper and staff for their preparation of the course under such wet conditions, the catering staff for an excellent meal and also to Baildon GC for allowing us the use of the course and clubhouse facilities. I must also thank all the sponsors for their contributions and support of our organisation.

The result: 18-stableford - 1, D Collins; 2, A Baxter; 3, R Smith; nearest the pin - G Potter.

At the AGM Pat Murphy announced that he was to move on to the board, and put myself forward as new secretary. The committee and I would like to thank Pat for all his hard work over the past two years and wish him all the best for the future. As for myself, my name is Marcus Cordingley and I hope I can do the job as well as Pat has done. If I can help you in anyway please do not hesitate in contacting me, I will try my best to help you. My home number is 0274 601195.

The weather may have been wet for our Christmas tournament at Little Aston GC but it certainly didn't dampen people's enjoyment of the day. Many thanks to Alan Bovaston and his staff for a well turned out course. Also many thanks to Little Ashton GC for allowing us courtesy of their course and for the delightful meal in the evening. The winner was Trevor Morris who was presented with a BIGGA blazer by Nigel Tyler, courtesy of Ruffords. Many thanks to Ruffords and also to the many trade companies that supported us during 1994.

On December 15 we descended on Edgbaston GC for our AGM. Many thanks to the members who turned out and showed their support. The section presented Alan Kite with a watch for the many years served as chairman as he was stepping down. Many thanks, Alan.

The following were elected as officers and committee members: Chairman - M Hughes; Vice Chairman - P Richmond; President - R Pugh; Section secretary - K Blake; Treasurer - P Richmond; Committee members - S Blakeham, R Thomas, E Staut, R Hayhurst, P Woodham, D Cleaver.

On a sad note I was sorry to hear of the death of Trevor Stone of Shirley Golf Club for some 19 years. Trevor was 44 years old. The section sends its condolences to his family and friends. Finally can I wish Kim Blake success as our new section secretary and thank the many people who have supported me over the last three years.

SUSSEX

Our last golf tournament of 1994 brought us back to our favourite stomping ground, Littlehampton GC.

Unlike our last visit, the weather this year was superb - no wind and plenty of sunshine. This complemented the course, which was in superb condition. Again thanks to Dave Wood and his staff for all the effort they must have put in, especially for dragging the mince pies and alcohol halfway across the course. How come the whisky was half-empty, Dave?

The day started with a hot breakfast at 8.30am, followed by the teams of four teeing off for the Texas scramble competition. Altogether, 13 teams took part.

Results: 1, J Bradbeer, R Beach, R Hudson, N Dunbar 52pts; 2, R Day, M Ring, J Budd, P Ward 51 points; 3, B Francis, P Chalk, D Haste, T Bremer 50pts. Each member came away with turkey vouchers donated by Avoncrop and bottles of wine supplied by our section.

Also during the round there were five nearest the pin competitions together with a longest drive. The winners were: Nearest the pin - 3rd, N Dunbar; 6th, R Hudson; 8th, P Ray; 11th, R Beach; 16th, D Ansell (5mm from the hole!) The longest drive was won by R Beach. Each winner received a bottle of wine. Mention at this stage must go to George Barr for behind-the-scenes organising which, for an event like this, is not a five minute job. So, on behalf of the section, thank you.

After a superb Christmas dinner we had our prizegiving and our now famous 'bring an unwrapped prize' presentation and raffle. The day ended around 8pm, with everyone in festive mood.

Finally, the Sussex section would like to thank the secretary, Keith Palmer, and the committee of the golf club for extending us the use of their club, to the bar and catering staff for looking after us so well.

DEVON AND CORNWALL

Eighty members and trade members attended our Christmas meeting, held once again at Okehampton Golf Club. Our golfing members were treated to a pleasant dry day to test their

skills against the excellently presented course for the morning's 18-hole greensome competition for the PJ Flegg Trophy.

Our congratulations to Richard Wisdom and his staff who had the course in excellent playing condition despite all the rain earlier in the month.

After an excellent Christmas dinner, Ivan Brown of PJ Flegg presented the golf prizes for the morning's greensome competition to: 1, T Ramsden (Budock Vean) and A James (Tehidy) 37pts on back nine; 2, T Martin (Torquay) and R Whyman (Bude) 37pts; 3, T Blackburn (Crediton) and R Chudleigh (Fingle) 35pts on back nine.

After our golf presentation we were entertained by the superb comedian Tank Sherman, back by popular demand. Tank kept us all laughing for well over an hour. The raffles concluded a superb day, with the first raffle being for two hampers kindly donated by Avoncrop and Peter Andrewarths and won by Tim Ellis and Tony James. The second raffle contained over 40 prizes kindly donated by members and the trade.

Our thanks to Ivan Brown of PJ Flegg for donating and presenting the day's golf prizes, also thanks to our president Alan Dommatt for supplying the lunch wine.

The section would also like to express its gratitude to Okehampton GC for allowing us use of their facilities once again.

Dates for our diary: Feb 21 - meeting at Wrangaton GC; March 22 - meeting at Mullion GC; April 26 - Westurf Trade Show, Long Ashton GC, Bristol.

At our AGM the secretary reported that attendances at meetings have steadily risen but the committee is conscious that the percentage of members attending has dropped. The committee would like to hear suggestions to improve participation. The secretary also explained there had been a slight loss (£47.54) on last year's balance, but with the purchase of a photocopier for £705 he felt that the accounts were in a workable cash flow position. Thanks were conveyed to the Regional Board for the generous donation of £250 towards the photocopier.

Retiring president John Palfrey thanked members for their tremendous support. The chairman, Jeff Mills, thanked Gordon and Marion Child whose tireless work for the region continues to bring success with our own trade show, Westurf.

Your new committee looks like this: Devon committee members - John Parr and Richard Wisdom; Cornwall committee member, chairman and regional board member - Bill Mitchell; trade member - Clive Ralph; President - Alan Dommatt.

EAST ANGLIA

They say the sun shines on the righteous, so the fact that December 8 was the wettest day for yonks must mean someone is trying to tell

Around the Green

us something as it was also our AGM/golf day at Aldeburgh.

After some alterations, ie swapping the golf and AGM around and swapping golf shoes for flippers, the day wasn't too bad, though we must apologise to those who came for the AGM only to find they missed it.

The AGM was quite lively which means someone actually spoke and Wellsy didn't go to sleep. The outcome from all the huff and puff was that all trophies will be presented at the AGM (if we can find them). A new trophy called the Sam Sylvester Cup will be played for each year, the format is yet to be decided. Sam is still with us I hasten to add, but he will be stepping down from the chair next year.

The election of officers took about two minutes. They are: President – Ernie Hart; Vice President – Bob Chesham; Chairman and treasurer – Sam Sylvester; Vice chairman – Ernie Hart; Handicap secretary – Alan Carter; Secretary – Dave Wells; Scribe – Mike Lathrope; Regional board – Dave Wells and Richard Prior.

Dates to remember – April 26, Braintree; June 6, The Warren (Chelmsford); August 9, Thetford; June 21, Southurf.

New members include Malcolm Orr, Nick Brewster, John Winters and G Fox.

We were saddened to hear of the sudden death of John Moyle who was one of the founder members. A man with a big heart and a ready smile whose bubbly character often disguised the trauma of long hours and thousands of miles travelling from one sports club to another. He will be missed and our thoughts and prayers go to his family.

He would have seen the funny side of that rain, which brings us back to the golf. A break in the clouds (about half an inch across) saw our heroes/idiots paddle off. And like ducks, when one goes they all go. Well, nearly all. Andy Arbon and Keith Titshall decided they would be hecklers for the day and take the rain out of everyone else. However with no cards going into the draw, they were last for the lucky dip – a boot with a hole in it and a sock was all that was left.

Toddy, on the other hand, came home with flu and 39pts (his calculator doesn't work in the rain). His partner in crime and synchro-

nised swimming was Ernie Hart on 37pts. Peter Howard was drowned in third with 31pts.

Any golf day would not be the same without our friends from the trade and I would like to thank the following: CMW (main sponsors for the day with turkey vouchers), Rigby Taylor, Rushbrooks, Sisis, Rhone-Poulenc, Kings, Doe, Parker Hart, Johnsons Seeds, Levingtons Horticulture, Turf-Actant, The Greenkeeper Supply Company and Ernie Hart.

Our thanks also to Aldeburgh GC for a super day. Needless to say December 9 was a beautiful day.

Finally, I received this little ditty from John in Surrey: "Another week ends. All greens cut and ready to play. All bunkers raked and tees moved. All members pleased and secretary smiling. All pigs fed and ready to fly."

MIKE LATHROPE

NORTH SCOTLAND

One or two movements concerning the section to mention this month. Doshie Benson from Invergordon joins us as a new member. Moving back into the section is Craig Ogilvie, the new deputy at Boat of Garten. Craig replaces Ian Bell who has moved back to the Edinburgh area to be the head man at Glencorse. Moving into the section to grow-in and manage Strathmore Golf Centre, Alyth, is Jim Brown, formerly of Deer Park, Livingston. We wish them all well.

The section AGM took place at Letham Grange. The golf match finished all square although there was some confusion about the last match, with both players claiming victory! The AGM itself passed off fairly smoothly with local deputy Andy Wilson taking over as chairman and Peterhead's Hugh McClatchie becoming vice-chairman. The remainder of the committee is as follows: Secretary – Iain Macleod, Tain; Treasurer – Gordon Moir, St Andrews; Education – Alastair McLaren, Nethybridge; Sam Morrison of Royal Aberdeen, Neil Macdonald of MTM, Gordon Mckie of Tain, Dougal Duguid of Westhill, and we welcome newly-elected Stewart McBain of Hazlehead. Nineteen members and six trade

reps were present. Thanks to all at Letham Grange for good food and a great golf course.

I recently attended one of the GTC-run SVQs and greenkeeping seminars. I found it very informative and along with a few other greenkeepers registered for D32/D33 training, which will take place this month. It was a pity there

were not more greenkeepers present along with their chairmen of green. This is a new initiative which will allow head greenkeepers to get more involved in the assessing of their trainees. This is something that I feel we must get involved with. Anyone who missed out before can get in touch with me if they want to become an assessor and I will try to put you in the picture. You will be trained at no cost to you or your club.

SURREY

Looking back to December 8, not a day you would care to remember but a day that was supposed to see the Turkey Trot played at Kingswood GC which, due to excess rain, had to be called off. Fortunately the rain did not stop 40-50 Surrey members enjoying Christmas lunch, which was followed by the AGM.

Thanks for your attendance and confidence in the current committee. We feel we have had a good year in office and intend to better it in '95. Fixture lists should soon be dispatched to all members.

Burnham and Berrow was the challenging links venue for the Christmas tournament. A good field of 55 members teed off in cool but relatively calm conditions to play as teams of two for what many found to be a difficult scoring round. Judging by some cards returned, it was fortunate that conditions were calm and not as windy as is frequently the case on this championship course. The links itself was in excellent condition and thanks are given to Jock and his staff for their efforts.

After a pre-meal drink and the selling of raffle tickets to those who felt lucky it was upstairs to the dining room for an excellent traditional Christmas meal. Thanks for this are given to the caterer who looked after our appetites so well.

The results for the event were as follows: 1, Jon Scoones and James Leitch 38pts (back 9); 2, Gary Cook and Paul Legg 38pts; 3, Jock Miller and Mike McCarthy 35pts; 4, Sean Sage and Ivor Scoones 34pts; 5, Marc Haring and Les Johnson 32pts.

A change to previous years then followed with the entrance of a comedian for the next 45 minutes. However, this didn't go without its problems as the original artist let us down with an hour to go and the replacement was only given 40 minutes to get to the club and prepare his act. Under the circumstances, he didn't do too badly.

The drawing of the raffle completed the day with many people winning prizes. Thanks go

to Roffey Brothers, the main sponsors for the day, for trophy presentation and the wine at the meal table. Thanks go to the rest of the trade for their generous donations, too.

The day proved very successful with over 60 members playing and eating. Thanks are extended to the secretary, Mrs Sloman, the vice chairman of Burnham and Berrow, Mike McCarthy, for his participation and to the club itself for its hospitality in granting us course courtesy.

The first section event of '95 will be at Lansdown GC on Thursday February 23. A round of golf and lunch will be followed by a short lecture.

I have, for my sins, taken over from the very capable Paul Copesey. It is something I have looked forward to but I feel very apprehensive about the content. I could, of course, drone on and on about my course, its trials and tribulations, or I could write something – if the information is forthcoming – of interest to you all.

A lot of information will come from the other members of the committee, like our new secretary Steve Johnson of Gillingham GC, but if it is to be truly representative it needs your input. To this end you can contact me with any information on 081 698 0620.

It only remains for me to thank Paul Copesey for his good work and also to thank Dave Wood who has stepped down as our secretary but remains on the committee.

Make a note of these dates: April 20 – Spring Tournament at Littlestone GC; September 27 – Autumn Tournament at Birchwood Park GC.

RICHARD PAGE

SHEFFIELD

We had an excellent Christmas competition at Wortley GC thanks to Barry Heaney and his staff. Also a big thank you must go to the steward and his staff for the excellent Xmas meal which we all thoroughly enjoyed. I would also like to thank Brian Booth of Rigby Taylor for being our main sponsor and supplying such lovely prizes for the competition, and the other members of the trade who have supported us throughout the year.

The winners were: 1, S Nixon, Wortley GC; 2, P Lyons, Sherwood Forest GC; 3, B Lax, Worksoy GC.

After our meal a presentation was made to Harry Herrington, Henry Gillespie, and Eric Palmer on their retirement from greenkeeping. Harry is ex-chairman of the old BGGGA, Henry has held every possible office in the Sheffield section, and Eric has also served us well on the committee and within the section. We wish all three a very happy and long retirement. There was also a small presentation to Joan Heaney who has helped Barry immensely with our accounts. Our grateful thanks, Joan.

Our final winter lecture was given by David

Stansfield of PSD Agronomy. David delivered his lecture to a full house and the greenkeepers gave David plenty of questions.

The section's last tournament of the year was our Christmas stableford, held at Birstall GC. (Sorry I was unable to attend but it clashed with my college dates.) Our category one winner was again Dave Leatherhead of Kedleston Park, with Adie Porter winning category two. Our thanks go to Roger Willars and his staff for providing us with a first-class course, and to everybody else from Birstall GC for making our day so enjoyable.

The sponsors for the day were Rigby Taylor – thanks for donating the prizes! could I remind members that they must send their entry slip and cheque to me before the closing date for all section events, if they wish to attend.

This month I would like to welcome the following new members to our section: Terry Porter of Chilwell Manor GC, Norman Whetstone of Western GC, Martin Jones and Richard O'Hara of Radcliffe on Trent GC and Steven Attenborough of Breadsall Priory GC.

Finally may I remind all members that if they wish to attend the section's snooker evening on March 1 to make sure they return their forms to me as soon as possible. If you still require an entry form you can phone me on 0533 890301.

We had a good turnout for the Christmas

Turkey Trot, AGM and Christmas dinner at the Royal Winchester GC.

The turkey trot was won by Pat Bell with 38pts. Second was J Moody with 37pts, followed by S Justice, third, and T Patchin fourth, both with 34pts.

The Royal Winchester laid on a splendid meal but the evening was marred by an incident at the bar. The committee members present were unable to find the perpetrator but apologised to the club on behalf of the section. Hopefully the person responsible will realise the damage caused to our good name and send an apology to the club themselves.

We were sorry to hear that Bob Cully, our tournament organiser for 1994, has resigned his post at Lee on Solent GC. The committee is investigating the circumstances surrounding his resignation.

We are nearing the end of our winter lecture programme with one evening left: Wednesday March 1 at Alresford GC where Sparsholt College's Sandy Wilson will inform us about health and safety within our industry.

Also there is the seminar at Sparsholt College on Tuesday March 14. Everyone should have received notification of this. If you haven't returned your application yet, do not delay!

A new BIGGA section?

A meeting will be held at the Delamere Forest Golf Club, Station Road, Delamere, Northwich, Cheshire on Wednesday, March 15 at 7.15pm to consider the possible formation of a new BIGGA section to cover the Cheshire, Wirral and Merseyside areas.

All interested persons are invited to attend and join in a discussion with BIGGA's Chairman and Executive Director. Jackets and ties are mandatory.

Getting there: Delamere Forest Golf Club is on a private road off the B5152 (watch out for Marley Tiles) just across the road from the British Rail Delamere Station.

The B5152 is about half way between Northwich and Chester off the A556 (Northwich by-pass). To get to the club turn north opposite the Vale Royal Abbey Arms pub, then right just before the station.
