RECRUITMENT

The British and International Golf Greenkeepers Association

is the professional organisation which exists to enhance, develop and educate its growing greenkeeper membership of just under 6,000. The Association receives the active support of the Royal and Ancient Golf Club and is one of golf's major bodies. We require a young, dedicated professional to take up the editorship of our high quality, award-winning monthly colour magazine, *Greenkeeper International*.

EDITOR

Golf continues its enormous growth around the globe, with new courses being brought into play and existing courses having to accommodate increased demands for play. Considering this background there will be plenty of challenges and travel for the successful applicant. The magazine deals with issues relating to golf course maintenance and the development of the fine turf industry and is distributed worldwide.

If you have the organisational skills, the flair, and the stamina to further develop our monthly magazine, we have the right rewards. If in addition you have knowledge of the golf industry and particularly knowledge of golf course maintenance and fine turf issues, so much the better.

More importantly we are looking for a young, ambitious journalist with excellent writing skills who will relish this exciting hands-on challenge. There will also be the opportunity to contribute to the Association's public relations function. Relocation to North Yorkshire will be expected and the overall package will reflect the successful candidate's ability and experience.

Please write with CV to:

Neil Thomas, Executive Director, BIGGA,
Aldwark Manor, Aldwark, Alne, York,
North Yorkshire YO6 2NF. Telephone 01347 838581.
Closing date: 27 March 1995.

Weald Park Golf Club
