

May Day celebration for eighth annual Westurf exhibition

A visit to the new look Westurf '96 Exhibition should be incorporated into the May Day celebrations of everyone within striking distance of the Little Ashton GC involved in the turf maintenance industry on May 1.

While May Pole dancing might not be on the agenda there is plenty which is and the new layout of the eighth Westurf Show makes it far more user friendly for exhibitor and visitor alike.

The Demonstration Area has been moved into the centre of the site to become more of a focal point of the show with a PA system being used to announce demonstrations and give product information.

Many of the new products first launched at BTME 96 will be demonstrated publicly for the first time at Westurf.

Among them are the Ransomes T-Plex 185 and Ransomes Fairway 305; the Hayter Greens mower FH514 and the Toro 6500 Fair-

way Mower and Toro 3200.

Last year Pro-Seed Equipment launched and sold a brand new Core Harvester at the Show while another company Roffey Brothers took more than £30,000 worth of orders.

Don't forget to pop into the South West and South Wales Region's tent and enter the free raffle, you could be walking away after the show with £200 worth of travel vouchers. Just follow the RAC signs from the motorway and when you arrive parking and admission is free.

All the main local and national dealers will be there to answer questions and take your orders, with all the latest turf care products on show.

You can't afford to miss Westurf '96.

"It is always one of the friendliest dates on the calendar and we are looking forward to meeting many old friends and having an excellent show," said Marion Child.

A total of 67 exhibitors will be there to pass on information or display products. They are:
