# GREENKEEPER

## International

APRIL 1997

## Contents

### This is London calling...

The golf club which bears the name of our capital city has a celebrity studded membership – and an enthusiastic greenkeeping team run along army lines. Scott MacCallum visited the golfing haven only half an hour from hustle and bustle. **Pages 17-19**

### The quality of cultivated turf

Because there's an element of uncertainty in buying turf, Robert Laycock argues the case for a more informed purchaser – and how to get what you want. **Pages 13-15**

### Powered by electricity

The strange sensation of using a virtually silent greensmower is something you could easily get used to. The Learning Experience evaluates the electric mower. **Pages 25-27**

### The right accessory for your course

Attention to detail is the difference between good and great – and this is especially true on the golf course. We examine some areas of finesse you might want to explore. **Pages 30-33**

## Regular features

**As I see it** Pat Murphy, the BIGGA Chairman returns to his homeland to witness "brilliant speakers" at the Scottish Conference. Then it was back to Northern region for a dinner dance – and news of interest to non-golfers. **Page 4**

**News** He's known as the "nutty novice" and he's the fastest greenkeeper there is – on a motorcycle. Plus, new appointments, company results, counting down to Westud and all the news from around our industry. **Pages 5, 7, 9, 10, 11**

**Education** Ken Richardson sees entries flowing in fast for the Toro Award for Excellence in Greenkeeping. So hurry – the deadline is looming. **Page 12**
