

Who to look out for at

COURSE CARE

Safety and The Environment are the keywords from Course Care at BTME '98. Our extensive display will include: Course Care 30 long drain oil to minimise waste; Bunded fuel tanks to prevent leakage; Clipping Tip to keep clippings under control; Green Concept wetting agent to ensure maximum benefit from expensive irrigation; Oil interceptors to prevent pollution from wash-down areas; A Blue Angel range of biodegradable oils and greases; New Vivusol fuel treatment to prevent black smoke and protect engines; Respirators for all spraying applications; The Full Course Care Environmental Services range - waste oil collection, chemical packaging collection, filter collection.

TORO COMMERCIAL PRODUCTS

Toro is displaying a large selection of turfcare equipment from its wide product range, including many new products that are mak-

ing their first European showing.

Leading the line-up is a new-generation tees mower (NGT) incorporating many innovative features.

Also making debuts are the new top-of-the-range bunker vehicle, the Sand Pro 5020, which replaces the Sand Pro 5000, and a new addition to Toro's highly-popular greensmower range, the Greensmaster 3050. The ride-on triplex unit is a lighter weight economy model.

There is also a new version of Toro's Greensmaster 500 pedestrian mower with improved handle configuration for easy operation.

Visitors can also see the new 78in Trailed Turf Aerator.

HAYTER LTD

Hayter has been producing top quality grass cutting products for over 50 years without compromising on quality. On Stand C42 this is more than evident with the products on display for golf course and local authority markets.

LEVINGTON HORTICULTURE LTD

Levington Horticulture will be exhibiting the new Greenmaster Liquids range of turf fertilisers at BTME this year. Ideal for use on both fine and outfield turf, the range comprises formulations designed to meet the needs of turf managers throughout the season and in all situations.

One of the key benefits of the new Greenmaster Liquid Fertilisers is that they are not only designed for specific purposes in themselves but are also formulated to be tank mixed in order to achieve nutrient ratios previously very difficult to market due to storage instability.

Full information will also be available on the complete range of Levington turfcare treatments, including Greenmaster granular fertilisers, Sportsmaster, Tritox and Turfcare.

AMENITY TECHNOLOGY PRODUCTS LTD

Amenity Technology will be in

unfamiliar territory at this years show, moving their stand to G20-G24. However as always visitors can be assured of the finest selection of innovative new products combined with Amenity Technology's existing ranges of bio-stimulants, micro-nutrients, wetting agents, water management, course accessories and fertilisers.

Exclusive to the show will be a special promotional offer on Indicator Green, the new spray pattern dye. Since its release, Indicator has enjoyed unparalleled success, leaving the opposition GREEN with envy. Make Amenity Technology on stand G20-G24 your first point of call, to keep up to date on what to use for the green environment.

AITKENS SPORTSTURF

Richard Aitken and his staff will be pleased to welcome customers old and new to their stand at BTME '98 Harrogate. On display are a number of new and interesting products, furthering the choice Aitkens can offer to green-

GREENSMASTER® 3200 SERIES LISTEN AND YOU'LL LEARN WHAT MAKES THIS A SOUND INVESTMENT

Low noise, high power and precision cutting make Toro's Greensmaster 3200 the complete solution for greenkeepers looking for perfection.

With carefully selected petrol or diesel engines which are high on power yet low on sound, this exceptionally quiet ride-on greens mower boasts a unique, unrivalled cutting system to give superb quality of cut.

Its responsive cutting system prevents sliding and scuffing on turns, while floating cutting units give enhanced ground contour following and a precision cut, further enhanced by a highly efficient collection system.

For a sound investment, trust Toro. Simply telephone 01480 476971 and we'll arrange for a local dealer to contact you.

keepers, groundsmen and turf managers. The most comprehensive choice available.

CHARTERHOUSE TURF MACHINERY LTD

Charterhouse Turf Machinery Ltd will again be displaying its full range of turf maintenance equipment with particular focus on the new verti-drains which were announced last year and which have received such wide acclaim throughout the last 12 months. Also included for the first time will be the Robin Dagger and the new Charterhouse pedestrian aerator. We look forward to meeting all our old friends and many new ones, so do not hesitate to contact any member of staff for added information or even a copy of our verti-drain video.

M J ABBOTT LIMITED

M J Abbott Ltd offers a range of specialist services to the golf and leisure industry. State of the Art Techniques together with fine workmanship ensure quality and

efficiency throughout the company. M J Abbott Ltd concentrate its activities in the field of land drainage and irrigation. Recognised as one of the top companies in the UK offering Rain Bird Irrigation Systems, water sourcing, distribution, construction, maintenance and landscaping complete the range of services provided. Illustrated examples of the types of projects undertaken will be on display with technical staff on hand to answer questions and advise as required.

JOHN GREASLEY LTD

John Greasley Ltd is a specialist contractor who carries out alterations to and refurbishment of existing golf courses. The company established in 1984 has unrivalled experience in completing such works with a minimum of disruption and disturbance to the club and its members.

Over these years John Greasley has developed a wealth of experience and expertise in the way contracts are carried out, using

his unique fleet of specialist equipment. This ensures works are completed efficiently with little or no damage to the course.

The company has been involved with the total reconstruction of the championship greens at Royal Birkdale.

KAWASAKI MOTORS (UK) LTD

Kawasaki Motors (UK) Ltd will be displaying the new innovative range of brushcutters. The six models ranging from 23cc to 48cc will be on display along with the already well established Kawasaki Mule-Utility vehicle. In addition to the brushcutter range, later in 1998 there will be a full range of hedgetrimmers and leafblowers.

LINKS LEISURE LIMITED

The all weather tee mat is manufactured in 3 sizes - 1.0 x 2.0 mtrs, 1.5 x 1.5 mtrs and especially for the pitch and putt course a new mat 1.5 x 1.0 mtrs. The practice net, strong enough to withstand the most adverse weather conditions, measures 2.5

x 3.5 x 3.2 mtrs high and comes complete with a heavy duty baffle net. The attractive yet functional tee markers and entrance signs made either to a standard shape or to your own requirements, can be supplied in a variety of colours and stands. Introducing for the first time a litter bin made with the golf course in mind. Totally enclosed with a plastic bin liner. The base can be painted to your requirements and can include either your course details or sponsor plaque, if required.

MARLWOOD LIMITED

Marlwood Limited, UK distributors for the revolutionary range of "articulator" floating rotary mowers. Visit our stand (number A29) and see the full range of articulators. This latest generation is proving to be a great success with some of the UK's most prestigious golf courses, being seen as the ultimate semi-rough/rough cut mower. Giving the highest quality finish cut of any rotary mower. Showing for the first time will be

Who to look out for at the show

the latest addition to the "articulator" family – the outfront – available to suit most leading brands of out front ride on rotary mowers.

OCMIS IRRIGATION (UK) LTD

Ocmis are irrigation experts with a referral driven reputation in system design, manufacture, supply, installation and service for all sports turf, landscape and amenity areas. We are also specialists in refurbishment and upgrading of existing systems.

Ocmis are distributors for Rainbird, Buckner and Hunter and can supply and service other makes of equipment. Throughout the UK, Ocmis stock MDPE and UPVC pressure pipe, associated fittings, pumping units, electric cable and mobile irrigators. Ocmis's unique in-house design capabilities ensure that the requirements of each client are individually met and that each project is given independent attention. For more information and a no obligation survey and design contact Ocmis

Irrigation (UK) Ltd on: Head Office 01460 241939, Midlands Office 01789 414604, Northern Office 01924 453102 or the Scottish Office 0131 220 2102.

SISIS EQUIPMENT (MACCLESFIELD) LTD

Come and see the new SISIS 21-1D tractor with articulated power steering, patented weight transfer system and 21hp engine. There is an impressive list of options including hydraulic tipping box, speedo, canopy, flashing beacon.

Also on show will be the new SISIS Ecospray. Most sprayers are based on agricultural models, with the attendant problems of spray drifting from the intended target causing damage to adjoining vegetation. Therefore, each unit on the Ecospray is enclosed by a perforated shroud to reduce drift to an absolute minimum. The 5-gang Ecospray can be towed or fully mounted behind virtually any vehicle.

SUPATURF PRODUCTS LTD

Another innovative display from

Supaturf Products for 1998, featuring the world's favourite range of water management products including Primer 604, Aquadoc and Infiltrix. Other products such as the Evensprey 2000 multi-functional and versatile battery powered sprayer and the Supamark range of multi-coloured aerosols will be displayed. New from the Evenspred range of broadcast spreaders will be a top dressing and mulch spreader and new for the technologically advanced supra test soil test system will be a portable test moisture meter and a range of specialist test equipment.

VITAX LTD

Vitax Seaturf Soluble is a 100 per cent soluble concentrated seaweed extract, ideal for tank mixing with soluble feeds such as the new Vitax Vitaturf range, giving today's turf manager the ability to produce his or her own liquid feed with the added benefit of seaweed.

Vitax Ultraflo Granular is the granular form of Ultraflo Liquid,

with the added benefits of ease of application for specific treatment areas where high irrigation requirements are a problem.

BOURNE AMENITY

Bourne Amenity announce the launch of its new manufacturing plant at Sevenoaks and will be delighted to welcome customers, both old and new, to join them for a glass of their very own 'Bourne' wine to help them celebrate the launch of their new plant. So, don't delay, go and visit their Stand No C13!

Bourne Amenity's own high quality topdressings and root-zones blended at its new Sevenoaks manufacturing plant will be on show. By incorporating Bourne Sports Stand with either peat, loam, fensoil or green organic, they can produce a blend to the clients specification. For more information see Bourne Amenity on Stand No C13 or contact them at Bourne Amenity, Newenden, Cranbrook, Kent TN18 5QG, Telephone 01797 255598.

We would like to wish
all our customers new and old,
a very merry Christmas,
and a happy New Year
