The closing hole at the Golf Club of Georgia which might well decide the match.

The 24 competitors in the Hayter International Cup match being played in October in Atlanta, host city for the '96 Olympic Games, can look forward to the match being decided over three of the finest courses they could wish to play.

The format is along the lines of the Ryder Cup with foursomes and fourballs matches deciding who will hold an edge going into the final day singles to decide the destination of the Cup.

The foursomes will be played at Cherokee Country Club on the

Tuesday, and as always in such a difficult form of golf much will depend on the non-playing Captains Gordon Child and George Renault and their ability to find a winning formula when selecting the pairings. With five points on offer it will be important not to give too much away before the fourball matches the following day at the prestigious Peachtree Golf Club where another five points will be up for grabs.

Both Captains will be looking to take a lead into final day singles at the Golf Club of Georgia but neutrals will no doubt be hoping that there is not more than a couple of points in it as the final 12 points are played out.

"I'm sure that we are in for an exciting three days of golf but I'm particularly looking forward to a repeat of the marvellous atmosphere and camaraderie that was created at West Lincs Golf Club two years ago," said Hayter Sales and Marketing Director, Kim Macfie.

Cherokee Town and Country Club has 18 holes under construction and, at present, it isn't decided which 18 holes will be used for the tournament. Which ever one gets the vote is sure to be an exciting challenge for the opening day of the match

The Superintendent is Randy Nichols.

Peachtree was the venue for the 1989 Walker Cup match which is remembered, on this side of the Atlantic anyway for the manner of Great Britain and Ireland's victory with Jim Milligan chipping in at

described as having rolling terrain. It is a measure of the exclusive nature of the course and the honour the Hayter International Cup team members will feel that the course has a mere 12,500 rounds per annum.

The Superintendent is William Shirley.

The Golf Club of Georgia will offer a superb opportunity for those with an interest in nature to

see some unusual wildlife as raccoon, beaver and muskrat are listed as on the course. No doubt the beaver enjoy the five water hazards on the course more than the golfers might while there are 60 bunkers to get snare anyone who avoids the water. Like Peachtree the greens stimp at nine and a half for tournament play.

The Superintendent is Travis Shirley.
