## Be in at the beginning!

With its 18th century style landscapes being revived and the original manor house under restoration, The Grove will be offering the highest standard Five Star accommodation, boasting 230 luxury bedrooms, conference & banqueting facilities and health spa. We are now concentrating on the construction of our 7200 yard Kyle Phillips 18 hole championship golf course within the 350 acre estate and require the following personnel:

### GREENKEEPERS

These positions require outstanding candidates who are NVQ 1 and 2 qualified. Self motivation, dedication, vision and the ability to learn new ideas are all essential requirements for these important roles. Working out of a modern, state-of-the-art greenkeeping facility, you will be playing an important role in the setting up and maintenance of this superb golf course.

### IRRIGATION TECHNICIAN

Your main responsibilities will be for the programming, operation and maintenance of the Rainbird Nimbus 2 irrigation system. You will have a minimum of five years experience and be fully versed with maintenance and operation of automatic irrigation systems. Knowledge of pumps and pumping systems would be a distinct advantage.

This position would ideally suit a hardworking individual who is flexible, hands on and has a love of the outdoors.

### SPRAY TECHNICIAN

A responsible and experienced technician is required to oversee the application of all pesticides and fertilisers and therefore must be familiar with all aspects of the current Health and Safety regulations with regard to their applications. A major part of this role is the ability to compile preliminary reports and keep excellent records of all chemical usage and fertilisers applied to the golf course.

### HEAD MECHANIC

This senior position is crucial to the smooth running of all the clubs equipment and maintenance workshops as well as the safety of all personnel who will be using it. The ideal candidate will be comfortable working on their own initiative and will possess the relevant experience and certificates required for this demanding position, including modern grinding machine experience.

*As a new and, as yet, unfinished course, these positions offer superb opportunities for successful candidates to establish themselves and their role in the long term future at The Grove. Although no accommodation is available, we offer excellent rates of pay, subject to age and experience, together with a real opportunity for promotion and progression within the company.*

*There is also an excellent service related benefits package which includes:  
Pension scheme, dental insurance and health care.*

For an application form, please call 01923 819444  
and ask for Sandra Driver or write enclosing a CV to:

## Assistant Greenkeeper

£5.15 per hour + 50% bonus

You will be based at Stockwood Park and be responsible for the maintenance of the 18 hole course and the 9 hole pitch and putt plus the floodlight driving range.

You must possess in-depth experience of golf course maintenance in a professional environment. A knowledge of some common fine turf pests and diseases and their treatments is required and you need to have a pesticides spraying certificate. You must be able to work on own initiative as well as a member of a team and have the ability to lead staff in the absence of the Chargehand. It is essential that you possess a full driving licence in order to transport staff and equipment to various sites.

We welcome applications from women and ethnic minority candidates who are currently under represented in this area of work. Section 48 (1)(b) SDA 1975 and Section 38 (1)(b) RRA 1976 apply.

For an application form and further details please contact the Human Resource Division, Apex House, 30-34 Upper George Street, Luton, LU1 2RD. Telephone (01582) 546621. Answerphone (01582) 547250.
