

Paula Humphries previews Westurf 2001, the third year the Show has been held at the Westpoint Arena in Exeter

# Westurf revisited

This year sees the third exhibition to be held in the Westpoint Arena at Exeter. The show is earlier this year as, now that we are under cover, we are experimenting with bringing the date forward to March - hopefully before the grass has started growing again and this should enable more greens staff to attend.

There will be an outside arena for the demonstration of machinery and where machinery can be tried out by yourselves. There will be three educational seminars during the day. A

central arena will provide entertainment. This year sees the welcome return of the Adams Axe Men, a fast display of rustic skills combined with a lot of humour. The Heart of England Falconry team will be demonstrating how you can use these lovely birds in the control of rabbits. There will be a golf competition (indoors) and all the leading suppliers of machinery, irrigation and amenity products, mobile phones etc. will be there to meet you as will representatives from the leading colleges in your area.

Westpoint has a fully licensed bar and a superb cafeteria. All pre-registration forms will be put into a random draw for a fabulous prize.

The Pre Westurf Gala Dinner will be held at the Southgate Hotel in

Exeter on March 13th. The three course meal will be followed by entertainment and the cost is £50 p.p. sharing or £75 single room to include dinner, b & b and entertainment.

For further information on exhibiting, applications for pre-registration forms or to book the gala dinner, please contact Paula Humphries on 01288 352194

#### Seminars

Turf Management - The Microbiological Route Explored - Richard Millar and Phil Caunt, of Biotol

Traditional Greenkeeping - Jim Arthur, agronomist

Design and Construction - Jim McKenzie, Celtic Manor Resort
