## GRASS ROOTS

ATTRACTIVE + BENEFITS  
READING

It's an exciting time for us at HSS - which is why we want to make sure you know all about our Groundcare division. It's a brand new venture that's almost ready to roll. But first we need a new crew to make it happen. From golf courses to amenity contractors, we'll be providing everything the professional turfcare market needs. And with rapid growth expected, the number of depots is set to grow substantially...just like your career.

### DEPOT MANAGER

This is the perfect challenge for an experienced Groundsman, who knows how to motivate and lead a team. You'll need to have a sound understanding of the products and services we supply, and the ability to take a new business and build it into something special. Show the dedication, self-motivation and talent needed - and they'll be no limit to how far you can go.

### HIRE CONTROLLER

With experience in a hire business, and in-depth knowledge of groundkeeping equipment, you'll be able to provide the vital support that the Depot Manager will need. Whether it's testing machinery or organising hire calls, you'll be a key figure within the team.

### DRIVERS/TECHNICIANS

Got an HGV licence? Over 23? Then you could be a part of our newly assembled team, delivering and demonstrating equipment to customers. The role demands an aptitude for mechanics and the sort of polite and friendly attitude that makes every customer feel satisfied.
