

# Scotsturf goes from strength to strength

November 7-8, 2001, Royal Highland Centre, Ingliston, Edinburgh

Scotsturf celebrates its 21st Birthday this year! This dynamic show has matured into a valuable resource for the Groundscare Industry in Scotland.

Last year the number of exhibitors to the IOG exhibition grew by 17% and visitors were up by 13% despite severe flooding throughout Scotland. This year promises to be even better, with many national manufacturers recognising the scope and scale of Scotsturf as a business opportunity.

A diverse range of machinery and services will be on offer at Scotsturf. If you are in the market for buying,

leasing or hiring any equipment, from tractors and mowers to trimmers, Scotsturf has the solution. It is the shop window for all Scotland's major dealers and manufacturers – come and talk to the experts.

Take the time to talk through a new venture with a golf course or landscape architect or find a solution to a problem with advice on the perfect chemical or product.

All sectors of the industry will be represented including professionals from sports and golf clubs, national stadia, local authorities, schools, colleges and universities leisure

complexes, caravan sites and forestry.

The demand for exhibition space has been so high that the balcony areas in Hall A have been reintroduced. The East balcony will host the Scotsturf Education Village, which includes the Seminar Suite, Trade Associations and Colleges. The West balcony will offer a variety of stands that will be popular with new and growing businesses. Halls B & C continue to be very popular, and some sponsorship opportunities are still available to increase your product profile.

Our Scotsturf Preview continues over the page with important announcements from exhibitors
