BIGGA's Summer Collection

As the days get warmer and nights shorter why not treat yourself to BIGGA's summer range of branded leisurewear, perfect for wearing on the golf course. Our model is wearing a classic polo shirt by Cutter and Buck in sunflower, which boasts reinforced seams, extra fine twill tape detailing and is generously sized for ease of movement.

For extra warmth in the evenings why not team it with a navy blue slipover made of 100% lambs wool. To cope with the unpredictability of the British summer, we also offer a wind and shower proof top from Walrus Golfwear which will take care of your comfort and freedom of movement on the golf course. All items are

available from BIGGA HOUSE by calling Rachael Foster on 01347 833800.
