On 28th August, Mrs Shona McKay of Westhill, Aberdeen, found herself in the middle of a domestic dilemma when she heard ominous rumblings from within her washer dryer and she noticed a pool of water leaking from beneath it. Suspecting that there might be problems with her drum, she immediately contacted SilverKnight Repair.

'It's a nightmare when your washer breaks,' explained Shona, 'especially when you have a family, unfortunately washing is a necessary part of my everyday routine!'

After explaining that Mrs McKay worked during the day, an appointment was arranged for an agreeable time for the repairer to come out and fix the problem. The repairer assessed the fault, establishing that several new parts were required including a condenser kit and door seals. Shona continued, 'I was relieved when the engineer said it was easily reparable and within no time at all, my washer was ready for use and as good as new!'

SilverKnight rescued Mrs McKay - let it rescue you!

My mum and dad's Silver wedding party - it was brilliant. So was the Prince concert I attended in 1987.

What is your claim to fame?
(None not acceptable)
Sharing a hotel lift with Chris Rea - I didn't realise who it was until we walked into the hotel foyer where he was suddenly surrounded by eager fans requesting autographs. I also remember working out in a gym in Cairns - I had done some ab crunches stepped up off the mat to do some stretches only to realise Sean Penn had been toning his abs on the mat next to me! Apparently he had been filming in Port Douglas.
