## East

Well another month and another article. As I write this the sun is beating down, the temperature must be in the 70s, not a cloud in the sky, which is very unusual because this is August and it's Scotland, not the south of Spain.

It makes a change for all we seem to have had this summer is constant rain every day so hopefully this is the start of summer, hopefully!

Events that have taken place in the last month were the Scottish National Tournament at West Linton GC in June, a great time was had by all competitors who, with their feedback, had some very nice comments to make about the course which was much appreciated by myself and my team. Well done to the East Section members who were on the prize list and well done to all the competitors, 70+ of them, who enjoyed a great day.

We had only 13 East Section members which was very low considering it was in our Section this year. If anyone knows the reason the Section committee would like to hear from you.

A big well done to Colin Irvine and his team at Muirfield GC for the condition of the course during The Open Championship. It was a credit to each and every one of them.

The Summer Tournament at Uphall GC on July 30 had to be cancelled due to lack of numbers. Well, eight people to be exact, so if anyone can tell us why the lack of interest we would like to know. Is it just that the Summer Tournament is no longer wanted by our members? Let us know. Do the members want more education events and course visits as these seem to be well supported? If that's the case drop me a line and the committee can do something about it. It's better letting us know than not saying anything at all. So come on it's your Section, let's hear from you. Apologies to Uphall GC for the cancellation of the tournament.

The East Section Tour heads to West Linton GC for the Annual Willie Woods Invitational Tournament on September 5. Entry forms will be with you soon. We hope to see you, your Club Captain, Secretary, Greens Chairman or committee member along for a great day out. The entry form for the Autumn Tournament at Liberton GC on October 10 will be with you soon so get them back as soon as possible as no entries after the closing date also no form no entry.

### News Flash:

The annual dance is on at the Kilsplindie House Hotel on Saturday, November 30. Details will be with you shortly. If you're going to the National Championship at Southport in October, I'll see you there. Well that's it for this month so get those entry forms back as soon as possible and we'll see you there, if anyone has any news drop me a line and we will get it in the column in a future edition of Greenkeeper International.

## North

Five new members to report this month. They are John O Connor, from Dornoch GC; Michael Rae, Glenisla Golf Centre; Darren Ross, Boat of

Garten GC; Graham Grant, Inverurie GC; Donald Mackinnon, Isle of Barra GC. It is good to see so many new members, and I hope you enjoy your time as BIGGA members.

Some good news to report in the birth of a third child for Robert Hardie, currently of Craibstone GC. I think the days of going to the football to watch Aberdeen are over now for Robert and, after Saturday's performance against the mighty Celtic, it might be a blessing in disguise. Eh Rab? Anyway good to hear everyone is well.

Not such good news has been the weather since the last report. It has been raining drastically for most of us this summer, but in particular the east coast all the way down, and the west have been badly affected. The growth has been phenomenal, and has put a lot of extra work on staff, who already are stretched to the limit anyway. Many clubs have lost valuable income to the weather and on top of the lack of visitors, there could be some harder times ahead.

A course which has had adverse weather to put up with is Culcabock GC in Inverness. I played in a 36 hole Open there on August 9 and the course was playing to its full length and was indeed a really good test. The course was in first class condition and Brian Fraser and his staff deserved all the praise they got for the course. It was also good to see many scratch and plus handicap players making the effort to play and these included greenkeepers George Paterson, now at Scotsraig GC, and Steve Mackintosh, now at Blairgowrie GC, as well as Brian and Martin Fraser from Inverness GC.

By the time you read this report the outing at Ellon GC may have already taken place, but just in case it has not, then I hope to see you at the outing and surely the weather will have taken a turn for the better.

Finally, the Section were represented by Iain Macleod, Stuart Hogg and myself as part of the BIGGA Support Team. The last time I raked bunkers was a way back in SIGGA's last days in 1987, and there have been big changes since then. It was a great experience and I would thoroughly recommend it to any greenkeeper willing to try it. The days are long, from 6am to very often 8pm and later if you are part of the divotting squad for that night. It can leave you tired at the end of the event but it is worth it. The work put in behind the scenes by Peter Boyd and the BIGGA staff is very often unseen and unheralded, but they stick with it and do their level best to promote the standing of the greenkeeper. The course itself was in fantastic shape and praised by the pros highly and rounded off a very good week.

I hope the weather turns in our favour and I hope to see you at the outing at Ellon G.C.

## Central

We welcome another three new members to the Section this month and they are Neil Stevenson, from Bishopbriggs Golf Club; Christopher Brown, from Gleneagles Hotel and David Cheape, from Linlithgow Golf Club. I keep saying that I hope we will get the opportunity to meet our new members at some of our events but unfortunately very few of them ever appear. Still we can live and hope.

Everyone should have their entry forms for this month's Autumn Tournament at Dullatur Golf Club and for the football tournament at Stirling on

October 13. If not, get in touch ASAP.

I had hoped to have finalised details of this year's AGM in time for this month's news but due to unforeseen circumstances we have had to change our original plans, never mind I will get details out to the 15/20 who attended shortly.

June winners in "Club 2000" were - J. Oliver with ticket number 121 and R. McGregor with ticket number 449. July winners were - A. Crawford, with ticket number 54 and R. Fleming, with ticket number 21.

In the July edition of Greenkeeper International I asked if any of the original committee of the Section were interested in a reunion dinner. Well obviously not, as outwith the one member who approached me regarding this event, not one has made any contact. Is he the only one who still has an interest in the Section? Surely you would have plenty to discuss with the way the Section has developed over the years. Whether it is for the better or not, it has come a long way since 28 greenkeepers from the Central area met on November 20, 1980 at Stirling Golf Club and decided to set up a fourth Section in SIGGA. Still if you're not interested there's nothing more we can do. (We now have nearly 280 members)

Have any of the teams competing in this year's Inter Club Tournament played any matches? At the time of writing no one has returned any results which makes me wonder if this year's event is going to take even longer than the last one!

HELP! Does anyone know where I can purchase timber roof shingles? I require them to repair a shelter on the golf course but, despite numerous enquiries, I am finding it impossible to obtain any. If anyone knows a supplier could they please get in touch with me on 01577 865607 or 07979 988518.

## NORTHERN REGION

## North Wales

September is show time with IOG. Saltex on 3rd 4th 5th at the Windsor Showground in Berkshire and for those of us not local to this venue, we have IOG Groundex' on September 18 and 19, now for the second year at Aintree Racecourse. It's everything that Saltex is, but it's just down the road and well worth a visit.

Congratulations go to Darren Anderson, of Abergele GC, in his new role from July as Head Greenkeeper. Darren will oversee the re-construction, by contractors John Greasley, of the next nine holes up to USGA spec starting this month and on a fully computerised irrigation system from TIS. Darren has also attained 100 points in Continuing Professional Development (CPD) for his HNC in Golf Course Management and we wish Darren the best of luck for his future.

This month's tale is of two golfers who set out one chilly morning for the links of Prestatyn GC. Adamson a keen golfer who plays regularly and who is a fine challenge to anyone on his day. The other, Dauber Cornes, plays very seldom but quite useful on the links. Adamson teed up first and feeling very confident waged a modest bet of £10 £10 & £20 on the match. Cornes agreed and off they went. After a few holes it was obvious how

things were going to turn out for the day, Adamson playing very well but simply outclassed by the superior shoemaking and the enormous experience around the links by Cornes. The first nine an easy victory followed by a 4&2 on the back nine and so a convincing win on the match. After a substantial lunch and a couple of pints of smooth, Adamson once again felt a surge of confidence and suggested nine holes on the way home at Northop GC. Feeling sorry for his friend, Cornes once again accepted. Nine holes strokeplay and Adamson holes out for a very modest 38. Unfortunately for him Cornes posts a staggering 32 thus winning another cool £25. Still not satisfied with who the real No 1 is Adamson lays down a challenge on the ocke of the Old Boot pub. Yes you guessed it a predictable 10 – 3 victory for the champ. Adamson then agrees who is the No 1 player. This satisfies Cornes and they agree on Fish'n'Chips at the Adamson household and phone Maureen to put the kettle on. A good day had by all. The End.

## Cleveland

The Section summer knockout is in full flow, I played my first match against Liam McGeough at Eaglescliffe Golf Club and I narrowly beat him. The front nine was in excellent condition, I can only presume the back nine was in the same condition, we never got that far! When we returned to the clubhouse George Salabank's horse was tethered outside while he was getting in some last minute practice for his match at the magnificent Ramside Golf Club against Gary Shaw. George beat Gary on the last hole and will play MG next at Ramside. Other matches to be played include, Jim Thompson vs. Stan Shutton; Tony Cheeseborough vs. Martin Woods and Barry Walker vs. Tony Smith.

The Northern Region team final is at Whitefield Golf Club in Manchester on August 9 and the Cleveland team is: Steven Agar, Crook; Jim Thompson, Darlington; Tony Burgg, Richmond; Gary Shaw, Ramside; Liam McGeough, Eaglescliffe, and Steven Jaques, Ramside.

The Section has won the final for the last two years and hope to complete the Hatrick this year. Good Luck Lads. Any news call 07719 193381.

## North West

Firstly, I have some sad news to report. Doug Bell, the Northern Region Administrator died on Friday, August 2. Doug had been in hospital for five weeks and I had visited him regularly, but his progress had been very slow. It came as quite a shock to hear that he had passed away, and he will be sadly missed by the Association.

The Toro Student Greenkeeper of the Year award has reached its final stages, and I am pleased to report that the Northern Region winner is Peter Cross, from Woolton Golf Club. We wish him good luck in the final on September 23.

I have not been long back from The Open and what a great week it was. The course was in perfect condition with the greens cut at 3.2 mm and running at 13. The fairways were reasonably wide, but the carry to the fairways off the Tiger

Tees I suspect would be too far for most of us. The weather was probably too good for most days, but Saturday certainly showed just what links courses can be like and certainly sorted the wheat out from the chaff. Rain and wind was the order of the day from morning till night, and although conditions were tough, the greens stayed perfect, and the eventual winner, Ernie Els, shot a 72.

Talking about winning at The Open, I have just heard that Steve Oultram was closest in his guess of the correct number of bunkers raked during the week and won a Hayter Mower and a bottle of whisky.

We shortly have the regional final at Whitefield Golf Club and the Roses Match at Stand Golf Club, which I will report on in next month's Section notes.

The next events in the section are: Whitelaw Bowl, Penrith Golf Club, Wednesday, September 4; Stewards vs. Greenkeepers, Ashton & Makerfield Golf Club, September 9; Autumn Tournament, Didsbury Golf Club, Thursday September 12

For the Autumn Tournament contact Bill Merritt 225 Utting Avenue, Clubmore, Liverpool L4 9RB Tel: 01512 844416.

## Northern

Hi guys. Well that's the summer over and done with for another year. It's been another frustratingly wet one. As I write these notes the rain is pouring down and it's only early August - I do hope it's improved by the time these notes appear.

As you know the Northern Section has a quiet July on the golfing and events front so I have nothing to report other than to remind you all of the up and coming fixtures and events.

Invitation day will almost be among us by now. This is at Bingley St Ives on Tuesday, September 10 at the usual price of £15. Places are strictly limited so book early.

Rigby Taylor has challenged us to a football match. It will take place on Monday, September 23 at SYNGENTA Sports Club, Leeds Road, Huddersfield. Kick off at 3pm. Any budding Beckhams or Seamans who would like to show off their silky skills and ball control please get in touch with me.

Last date for your diary is Thursday, October 17. This is the Autumn tournament and AGM. It all takes place at Thirsk and Northallerton Golf club, tee off at 11am.

Suggestions for subjects and topics to be covered at the winter lecture are being sought, so any ideas and speakers you would like to hear, please get in touch with any of the Committee Members.

Well that's all from me. I will hopefully be able to report to you in my next notes on the demolition of the North West Section in the Roses match.

## East of England

The small turnout at Waltham Windmill GC were treated to very pleasurable days golf on this comparatively young course. The main sponsors were Burdens Groundcare and it was good to see Norman Burden attending the event.

The Burdens trophy went to Les Howkins, Cleethorpes, with 36 points; second on count back Russ Moody, Torksey, 35 points and third Graeme Macdonald, Newark, 35 points. The trade prize went to Peter Fell, of Aitkens. The longest drive went to Russ Moody as usual and the Nearest the Pin went to Rob Welford.

Other sponsors on the day were Alpha Amenity, Sheriffs, Mansfield Sands, Midlube, Lincsgreen, Aitkens and Rigby Taylors.

The evening meal was one of the finest yet - local fish and chips from down the road at Grimsby. Thanks to Waltham for courtesy and the warm welcome from all the staff.

Phil Wilkinson, of Lincsgreen, entered a team of greenkeepers from the East of England section to play in the BIGGA National team competition. The team which comprised of Les Howkins, 6 handicap, Mike Love, 6 handicap, Graeme Macdonald, 5 handicap, and Phil, off 17 handicap. The team had a score of 53.6 and walked the competition by four shots. It was just one of those days when everything went right. Phil has already booked the same team for next year and looks forward to defending the Trophy.

The July Golf Day was almost cancelled at Thorney Lakes GC due to the atrocious weather. Thanks to Sid and staff who managed to keep open the course. It did stay dry for those who braved the weather and all enjoyed a well-presented course. The Peterborough Garden Machinery trophy went to Bruce Hicks, Boston, with 38 points, second John Mitchell, Thorney, 35 points and third Ian Batty, Sleaford, 33 points.

The Blazer Order of Merit is now to be sponsored by Toro and we would like to thank Nigel Lovatt Area Manager for Toro for stepping in at short notice.

Photographs enclosed show this year's presentation of the BIGGA blazer to Richard Owen of Boston West GC for winning the last Order of Merit Title also attending are Graeme Macdonald EOE section secretary and sponsor Nigel Lovatt.

**BB & O**

Our golf day at Temple Golf Club was a great success. The weather gave very pleasant conditions for playing golf on a hilly course. Martin Gunn and his crew were busy getting the course ready for the Oppenheimer Classic so the course was in pristine condition. Putting greens were quite a pace but that did not deter the guests from pulling out the punches and scoring well. As for the infamous Temple rough, I am pleased to report it has receded in all the right places and plays very fair to all handicaps. The food was excellent to round off an enjoyable day and my thanks go to Temple Golf Club for all their help in ensuring we had a good day. I must thank Peter Larter for helping organise the players on the day; it was a great help indeed. The winning players were as follows: 1. Simon Robinson & John Cox, Calcot Park; 2. Tim Webb & Mark Day, Tacit; 3. Jim Socket from Huntercombe GC & Carl Small, Ellesborough GC. Longest Drive. Tony Hunter, Cherwell Edge GC and Nearest Pin. Terry Jackson, Maidenhead GC

Our sponsor for this event was Gem Professional and I would like to thank Clive Parnell for making sure all went smoothly on the day. Of course, without members coming forward to play in these matches, they will not be the great success they could be. I hope to see more names put forward for the next event held at Ellesborough GC on Thursday, October 3. This will be a 3-ball Stableford with individual handicap and is limited to 40 players. The first tee off time is 12pm. Please ring me on 07778 765021 for any further information. The cost is £20 and includes coffee on arrival with a meal after the match.

Please send your cheques to my home address as follows: Holly Lodge, Pond Lane, Hermitage, Thatcham, Berks, RG18, 9RN. Before the meal we will hold an AGM for this Section so even if you are not in for the golf but have any issues you wish to raise, please come along or speak to me beforehand so I can bring them to the committee's attention. We have two places available on this committee so if you feel an urge to contribute to the important work of this committee then please reveal yourself at the AGM; we would really appreciate your help.

I would like to welcome the following new members into the BB&O Section and wish you all well in the year to come: William Bachelor, Chipping Norton GC; Lee Dancer, Gerrards Cross GC; Colin Wilson, Wycombe Heights GC; Gay Norcott, Farnham Park GC, and Harry Hepple, Wrag Barn G&CC.

The competition being held by Rigby Taylor is entering its final stages with the semi-final and final being held at Stoke Park GC on August 29. This is a 36-hole competition and on behalf of the Section, we wish them all the best in their games. The teams for the semi-finals are as follows: Simon Austin & Lindsay Anderson, Badgemore Park GC; Jason Brooks & Lee Bishop, Burnham Beeches GC; Peter Critchley & Gordon Critchley, Three Locks GC, and Steve Putt & Martin Birdbank, Witney Golf Centre.

Let's hope they have had great golfing conditions on the day and not the sort endured during our golf Section day in April!

I would like to wish all members great success on your golf courses during the twilight days of the great British summer ha ha! This summer has

gone so quickly – why does the winter lag behind so? Ah yes, it's very, very long but with great resolve we will get through another season, giving you plenty of time to invest very carefully in those shares!

Stocks Golf and Country Club is the venue for our Autumn Tournament, on Thursday October 10. Stocks has not been used before for a Section event, so I'm sure we're all looking forward to playing a new course.

July 16 saw the Section's avid golfers make their way to Piltdown Golf Club, set in the heart of East Sussex.

A total of 36 Golfers managed to make their way around 18 holes in the most humid conditions we have experienced this summer. The course was presented in usual high standard thanks to the very hard work of Course Manager, John Shepard and his team. Thanks also to Piltdown Golf Club for letting us demonstrate our golfing prowess on their wonderful course.

The day was very well sponsored thanks to Tacit (you know that big van which turns up, driven by Brian Wilmott) who presented the winners with some very nice prizes.

1. Mike Gould, John Pync, 43 pts; 2. Lee Amos, Harry Ruffles, 42 pts; 3. Jim Russell, Rose Gould, on countback with 40 pts.

We also had nearest the pin, which was picked up by Rose Gould, and longest drive, which with a monstrous drive was won by Harry Ruffles. I would like to thank Copthorne professional demonstration golf team for showing us mere mortals how to play the game!

Well on to our next meeting which will be held at Mannings Heath on the September 25, well worth a visit. Remember if you have any news which may be of interest please contact me on 07876 233253.

Once again I have nothing at all to report on this month. There will be a report next month on the golf day at Wilderness Golf Club. What a lovely day it was at Gonleston. 50 + Nomads teamed up to play on a well presented course, thanks to Mark Sherwood and his team. The course is quite tough and if you are doing well don't look over the cliff at the 16th. If you see the topless bathers on the beach it will put you off your stroke (figuratively speaking). I know a bloke that did just that. The prizes were as follows and keep your eye on the 20-28 bandit section.

0-9. 1. James Wrigh, 39 pts; 2. Peter Howard, 33 pts; 3. Bob Barnes, 31 pts

13-19. 1. Mark Broughton, 33 pts; 2. Ian Willett, 29 pts; 3. Paul Gould, 28 pts. 20-28. 1. Mick Lathrope (That's me), 37 pts; 2. Pat Swinn, 33 pts; 3. Martin Mison, 28 pts. Guest. 1. Roger Matson, Eaton, 39 pts; 2. David Littlechild, 38 pts; 3. Larry Pearman, 37 pts. Longest Drive. Peter Clements.

Nearest the Pin. Alan Sharp. Loo Seat. Graham Brumpton, 11 pts.

Don't worry son, I won the loo seat three times and it's only taken me 39 years to actually win a prize. Patience my son, patience.

Now for the sponsors. Main ones for the day were Scotts and Prime Irrigation. The just as vital are: Ruchbrooks & Son, SISIS, Aventis, Lely UK, Bartram Mowers, Tomlinson, Ground care, John Deere, Textron Turf Care, Tacit, Atterton & Ellis, Rigby Taylor, Norfolk Turf Machinery.

Our thanks to Peter Longbottom Secretary/Manager of Gorleston Golf Club for his warm welcome and Eric Wamer, Green Chairman, for presenting the prizes.

Did you hear about the Head Greenkeeper who built this beautiful green. He was putting the finishing touches to it on a hot summer's day when a member came up to him and asked him to put his shirt on. A bit like telling Michelangelo off for not wearing a hard hat when he had just finished the Sistine Chapel. You couldn't dream it.

Next meeting. October 9, Ufford Park. Be There Mick Lathrope

We would like to thank Scotts for their very kind sponsorship of the Scotts Trophy held at Cumberwell Park GC. The event was won by Kendleshire GC with 87 points with Lansdown GC in second with 82 and Cumberwell Park third with 81. Pat Murphy, from Kendleshire, won the Nearest the Pin competition.

We would also like to thank Breakwells for their sponsorship of the SouthWest verses South Coast Match played at Long Ashton on August 14.

Please remember the next event on the schedule which is the Regional Seminar on September 20.

### South Coast

As another month passes it is inevitable that my opening comments once again focus on the weather. We are currently going through what can only be described as monsoon season! We always think that we are getting a raw deal and some times we are, but have a thought for our colleagues in Glasgow who in August had to cope with 18 inches of rain in one day! We collect rainfall data at Parkstone and the most we have ever recorded in a day was 47mm and there was us thinking how it rained that day. I find it difficult to imagine what 457mm of rainfall in a day would do to a golf course! It doesn't bear thinking about! What I can say is that as a profession we as greenkeepers take it on the chin and soldier on, and I am sure that is what happened in Glasgow.

As I said before, our thoughts are with those greenkeepers who had to cope with the deluge.

Our summer tournament kindly sponsored by Huxley and Rigby Taylor was held on August 8 at Brockenhurst Manor Golf Club. With Course Manager Ed McCabe away on holiday, Deputy Course Manager, Kieron Jaques, was at the helm and also in charge of the weather prayer mat. The better ball invitation event had a superb turnout of 88 players, which included our National Chairman, Richard Barker. Richard's trip down south proved very fruitful after he managed to card three 2's during a birdie blitz. A very impressive feat considering before his round he revealed his golf was suffering and he had been advised to put his clubs away for a month. As if we believed him! Well-done Richard! The weather was not quite what we had hoped for although we didn't get too wet. The golf course was as ever in superb condition and a great credit to the greenkeeping team who had worked so hard to prepare it for us. The scoring reflected this and winners on the day were:

1. Rigby Taylor Challenge Trophy. Alex McCombie & Scott King, 49 pts;

2. Huxley Golf Trophy. Paul Cooper & Tim Rockey, 45 pts; 3. Mark Zealander & John Baker, 45 pts; 4. Matt Blake & Neil Cousins, 44 pts. Nearest the Pin. Alan Magee. Longest Drive. Darren Miller

After the prize giving Richard Barker paid tribute to Ted West who has recently retired from Broadstone Golf Club before presenting him with a gift from the Section. This rounded off a superb day! Many thanks must go to Huxley's and Rigby Taylor for their invaluable sponsorship; to Brockenhurst Manor for their superb hospitality; to Kieron Jaques and the greenkeeping team (Ed will be very proud of you) for all their hard work; to the catering staff for a superb meal; to Richard Barker, it really was good to see our national Chairman at our section event; to Joe Crawley, our ever present starter, who again did a superb job! Also many thanks for our Regional Administrator, Paula Humphries, for her help in ensuring the day ran smoothly. Last but not means least, Chris Sturgess,, our tournament organiser came up trumps again! Dates for your diaries. Our Autumn Tournament sponsored by Tacit will be held at Hayling Golf Club on Tuesday, October 1. The cost is £18 per person. The Section AGM will follow the tournament so we will be looking for a good turnout. Please send your entries to Chris at the usual address. If you have any news you wish to include in next months column then please contact me.

Until next month.

## NORTHERN IRELAND

Firstly, this month I would like to congratulate Noel Crawford for his excellent performance in this year's North of Ireland amateur championship played at Royal Portrush in early July. Noel is part of the greenkeeping team at Royal Co Down and a very gifted golfer. A total of 300 competitors played in this tournament and Noel fought his way through the matchplay stages to the semi-final losing out 3&2. On behalf of the Section congratulations on a fine performance.

Our summer competition took place at Massereene Golf Club on July 25. Course manager Eammon Farrell and his team had the course in great condition. Many thanks to Massereene Golf Club for giving us courtesy golf. Our sponsor for the day was Graham Prosser, of Tacit. Graham is a very popular and generous supporter of the Section and his continued support is very much appreciated. The results were as follows: 1. Michael O'Neil, Fortinillian Golf Club, 35 pts; 2. Robert Patterson, Rockmount Golf Club, 34 pts; 3. Paul Loffin, Kirkstown Golf Club, 31 pts; 4. Robert McCloone, Easterock Golf Club, 30 pts. Visitors prize. Ken Frew, Massereene Golf Club, 42 pts.

The National Championship qualifying competition for the section will take place at Ballycastle Golf Club on August 30.

The result and full report on the Charity Golf Day at Clandeboye GC will be featured in next month's magazine.

Well that's all for this month. If you have any news you would like added to the column please call me on 02894 429001 during working hours.
