MORTGAGES

A panel of mortgage providers who are able to offer unique products tailored to meet your specific requirements.

LIFE ASSURANCE

There are two types of Term Insurance cover available, providing protection to meet your needs.

- Level Term Assurance – which provides a tax-free cash lump sum in the event of the death of the life assured during a specified period (the Term)
- Decreasing Term Assurance – sometimes known as a Mortgage Protection Plan, this policy is designed to pay off the outstanding amount of a repayment mortgage as it reduces over time, by clearing the remaining mortgage in the event of death within the term.

HOUSEHOLD INSURANCE

Insurance cover is available for buildings and contents, with a discount on the overall premium for insuring both the buildings and contents in a combined policy. Cover automatically includes new for old replacement of items, and the optional instalment plan means that you can spread the cost of your premium.

This comprehensive cover provides complete protection for a second home and can be tailored to meet individual requirements.

CARAVANS

Whether a touring or static caravan, used twice a year or every weekend we can arrange comprehensive cover to suit every need. Key features include:

- Loss or Damage to contents and personal effects
- Liability to public

PET

Keeping a Pet is a big commitment. It can also be expensive. Recent advances in treatments have meant that over the past few years there has been a steady and fairly steep increase in veterinary fees. Should a pet suffer an accident or become ill, the cost of providing veterinary care can reach hundreds or even thousands of pounds.

We have arranged a scheme for BIGGA which will provide protection against the cost of veterinary treatment and a range of other benefits dependant on the type of cover which includes:

- Complementary treatment fees
- Third Party Liability
- Accidental Death
- Theft or Straying
- Advertising & Reward
- Emergency Boarding Fees
- Holiday Cancellation Costs

TRAVEL INSURANCE

Travel insurance has traditionally been bought through travel agents or tour operators when booking a holiday or making travel arrangement. Heath Lambert Affinity Partnerships offer both single trip and annual policies to BIGGA members and their families. You will find that the rates compare very favourably with what is available elsewhere in the market and that cover limits are very generous. Naturally golf clubs are covered under the products

Insurance products and Financial Services are provided by Heath Lambert Consulting Limited, which is regulated by the Financial Services Authority and is a member of the General Insurance Standards Council.
