PET

Keeping a Pet is a big commitment. It can also be expensive. Recent advances in treatments have meant that over the past few years there has been a steady and fairly steep increase in veterinary fees. Should a pet suffer an accident or become ill, the cost of providing veterinary care can reach hundreds or even thousands of pounds.

We have arranged a scheme for BIGGA which will provide protection against the cost of veterinary treatment and a range of other benefits dependant on the type of cover which includes:

- Complementary treatment fees
- Third Party Liability
- Accidental Death
- Theft or Straying
- Advertising & Reward
- Emergency Boarding Fees
- Holiday Cancellation Costs

TRAVEL INSURANCE

Travel insurance has traditionally been bought through travel agents or tour operators when booking a holiday or making travel arrangement. Heath Lambert Affinity Partnerships offer both single trip and annual policies to BIGGA members and their families. You will find that the rates compare very favourably with what is available elsewhere in the market and that cover limits are very generous. Naturally golf clubs are covered under the products

Insurance products and Financial Services are provided by Heath Lambert Consulting Limited, which is regulated by the Financial Services Authority and is a member of the General Insurance Standards Council.
