COMMUNITY SERVICES DEPARTMENT
Stressholme Golf Centre

The grass is greener

We need an experienced professional to manage the operational facility team at Stressholme and to work closely with the Golf Professional and the Clubhouse Manager to develop the facilities. You will be responsible for the maintenance and development of the course, driving range, practice green and surrounding areas, managing all aspects of course maintenance, including all horticultural operations, to provide a high-quality golfing experience.

With at least three years' experience as a Head Greenkeeper or in a similar environment, you will also need a full driving licence, good communication and management skills and the ability to work on your own initiative. A professional horticultural qualification would be preferable.

For an informal discussion, please contact Steve Thompson, on 01325 347529.

Application packs are available on-line at: www.darlington.gov.uk or from the Recruitment and Selection Unit on 01325 388129 (24 hours).
E-mail: recruitment@darlington.gov.uk

Closing date: 26 November 2004.

Job evaluation is ongoing. We are committed to equal opportunities. Workplace nursery facilities provided subject to availability.

Area Sales Manager

**Northern
England**

The Scotts Company is the world's leader in lawn and garden consumer products, with a full range of products for the professional turf, amenity and horticulture markets. We are currently seeking an Area Sales Manager to take responsibility for the Professional Turf and Amenity business in Northern England, to maximise the sales effort for acceptance and growth of Scotts' products.

The responsibilities of this role include managing all accounts and prospects in the area in order to achieve increased market share, strengthening relationships and the understanding of customers' requirements in order to achieve or improve upon agreed Company sales and profit targets. The successful candidate will have the ability to develop sales promotions and present to groups of end users and distributors, as well as representing the Company at trade shows, seminars etc. in order to strengthen the Company's offering.

Proven success in a sales role is essential, along with the self-motivation and initiative needed to achieve individual and Company goals. The ideal candidate will also have industry related sales experience and a recognised qualification eg. BASIS, or other evidence of technical understanding of the nature of the product range.

The position offers an attractive basic salary and incentive scheme package, along with a company car, an occupational pension scheme, subsidised medical insurance and 26 days' paid leave.

To apply for this position, please send your CV and covering letter to Carol Terry, Human Resources Manager, The Scotts Company (UK) Limited, Salisbury House, Weyside Park, Catteshall Lane, Godalming, Surrey GU7 1XE or e-mail carol.terry@scotts.com

Closing date: 30 November 2004.

Open your way to a career with a world-leading agribusiness.

Syngenta is a world-leading agribusiness committed to sustainable agriculture through innovative research and technology. The company is a leader in crop protection, and ranks third in the high-value commercial seeds market. Sales in 2003 were approximately US\$ 6.6 billion. Syngenta employs some 19,000 people in over 90 countries. Syngenta has seven sites in Switzerland, where it employs some 2,750 people from more than 40 different countries.

To complete our Crop Protection team based at our headquarters in Basel, Switzerland, we are looking for a

Technical Manager Professional Products for Turf

In this role you will develop, communicate and implement global development and technical business support strategies for turf. You will liaise with our current and future customers on all turf-related technical matters. You will further support Marketing in all technical matters relating to design, and implement a successful growth strategy for Syngenta. In addition you will design global development & technical business support plans that support the BU business plan for delivering objectives established by the PP BU leadership team. You will ensure that the development portfolio incorporates the investment needed both to support the strategic development and business plans, as well as to create new opportunities. You will also monitor and provide expert technical assessment of new technologies and competitors' products.

This challenging position requires a broad knowledge of the turf industry, as well as in-depth knowledge of the technical properties of crop protection (CP) products and associated turf technologies. The position also calls for experience of commercial and business concepts in the turf business.

You will be able to demonstrate a successful track record of developing technologies that resulted in value-added opportunities. You will be expected to work cross-functionally and with people from widely diverse cultures and backgrounds. You will need strong project management skills as well as the ability to analyse technical issues. Excellent communications skills in English (both written and oral) are mandatory.

Does this sound like you? If so, we look forward to receiving your application. Please send your full particulars to: Syngenta Crop Protection AG, Tobias Bossert, WRO-1010.1.01, P.O. Box, CH-4002 Basel, Switzerland, tel. +41 (0)61 323 6992, e-mail tobias.bossert@syngenta.com.

GARFORTH GOLF CLUB

Founded in 1913

Invites applications for:

(1) DEPUTY HEAD GREENKEEPER

The successful applicant will work closely with the Head Greenkeeper to manage and maintain the course on a day to day basis and deputise for him in his absence. Applicants should be enthusiastic and highly motivated, ideally have at least 5 years previous greenkeeping experience, be qualified to NVQ level 2 or similar (level 3 would be advantageous), possess relevant spraying/chainsaw qualifications, and have a good working knowledge of machinery and irrigation systems.

(2) QUALIFIED MECHANIC/ GREENKEEPER

Must have a sound practical knowledge of all types of golf course machinery and equipment, to enable the successful candidate to carry out the service and repairs at this busy golf course. Typically winter months will be spent working on machinery overhauls and servicing, with summer months greenkeeping 4 days a week and 1 day in the workshop.

Good rates of pay
Closing date 17th November 2004

For either position please apply in writing with full CV to: The Head Greenkeeper, Garforth Golf Club, Long Lane, Garforth, Leeds LS25 2DS
