Membership Update

SPECIAL OFFER FOR NEW AND EXISTING BIGGA MEMBERS FROM HAZTEK INTERNATIONAL

BIGGA have teamed up with Haztek International, Golf Health and Safety Specialists, to give new members access to a free Health and Safety hotline, available 24 hours a day.

Members will be able to call or email with any Health and Safety concerns and get instant free advice from one of our NEBOSH/IOSH qualified consultants.

New members will also have the opportunity to subscribe to the Haztek International Maintenance Plan and get one year's free audit on a three year plan, i.e. four years for the price of three.

A Health and Safety Maintenance Plan will ensure that all matters relating to Health and Safety in your club are constantly maintained. The purpose of the Plan is to ensure that the club remains injury free and, secondly, to ensure full compliance with the laws in place.

- The plan will promise to keep you informed of all legislation changes and their implications.
- To carry out a full annual audit of your Club's Health and Safety.
- To update the Health and Safety Policy annually.
- To notify you of the changes to Risk Assessments.
- To notify you of changes to safe working practices.

A monthly bulletin will also provide information on new legislation and case studies.

This offer is also available to existing members renewing their membership for the following year.
