

# Life-long Learning in the Workplace

BIGGA and the Greenkeepers Training Committee are fully committed to vocational qualifications for greenkeepers. Key parts of these qualification is the learning of Knowledge and Skills plus the assessment of those skills in the work-place.

Plan-It Training and Consultancy has worked for more than ten years, in collaboration with the GTC, to introduce successful life long learning for golf greenkeepers.

The provision of work place assessors and work place trainers has been Plan-It's core activity but they are now developing a range of management and professional development courses within the golf industry These courses will give greenkeepers the opportunity to gain professional management qualifications such as the Diploma in Management Studies and the Certificate in Management Studies.

Other industries, throughout the UK, have benefited from working with Plan-It with many of the projects being supported by the European Social Fund.

Although currently working with over 450 greenkeepers in England, to develop their at work assessor and trainer skills, Plan It are actively spreading the good news on work-based learning and assessment to the United States.

Moreover, Plan-It, the GTC and BIGGA are working together to create even more opportunities for life long learning by holding Workshops during Harrogate Week 2006.
