## COURTESY GOLF

The majority of members do behave sensibly when seeking courtesy golf however to avoid any confusion here is a reminder of our guidelines:

- Only those with FULL GREENKEEPER membership should seek courtesy golf.
- Courtesy golf is only given at the discretion of the individual golf club and is not an automatic benefit of membership.
- Members wishing to seek courtesy golf at a club should contact the club at least 24 hours in advance of wishing to play.
- On arrival at the club, members should report to the Secretary/Pro Shop and follow normal procedures for playing golf.
- Members should always produce a valid membership card as proof of status to the club.
- Members should make a point of thanking the club for their courtesy on completion of their round of golf.
- Members should not seek courtesy golf at any one golf club more than twice per year.

Golf Clubs wishing to verify membership or requiring further details should contact BIGGA on 01347 833800.

## HAVE YOU LOST YOUR SECTION FIXTURE LIST?

With the Section Social calendars in full swing make sure you don't miss the latest events by going to the BIGGA website, [www.bigga.org.uk](http://www.bigga.org.uk). Look up the News and Events section and you will find a comprehensive list of all the events taking place in your area and across the country along with details of who to contact if you wish to attend.

The pages are continually updated and if anyone has an event they would like to highlight then please contact Gareth on 01347 833800. If you don't have access to the internet then don't forget to read your Section Notes in Around the Green at the back of this magazine which will have details of any up and coming golf days or seminars.
