## SPOT THE DIFFERENCE

Look closely at the pictures below and try and spot the difference between them. You should be able to spot six!

October 7 in the Cathedral Suite at the Glamorgan County Cricket ground, Sophia Gardens, Cardiff, at 7.30pm for 8pm. The dinner will be followed by a presentation of awards, grand prize draw and a social evening with a disco. Any Section member wishing to attend with their wives or partners, please get in touch with Peter Lacey for details.

I believe the BIGGA Golf Environmental Competition is at the final judging stages and the winner will be announced soon. We had only three golf courses from Wales last year, with Garnett Park winning for our Region. It costs nothing and in addition you will receive a free visit from Bob Taylor or Lee Penrose, Ecologists from the STRI. To get one of these highly experienced and knowledgeable guys out to your course for a consultation normally costs a small fortune, by entering it costs nothing and they are open to questions and will offer good advice.

I entered last year and was surprised to hear that even the smallest of changes to our management practices can have a huge influence to the ecology and conservation of our course to the flora, fauna and wildlife.

Congratulations to Celtic Manor Resort on the successful, made for television event, the All Star Cup, which played over the Roman Road course, and also to Mychynys Peninsula Golf Club for hosting the European Ladies Open, both courses looked great and were given great reviews. Bridgewater College has merged with Cannington College and congratulations to Huw Parry on his appointment as Head of the Greenkeeping Department.

Any news please get in touch on 07725 040878.

### Devon & Cornwall

In the March issue of Greenkeeper International this year I reported that Andy Parker, the Head Greenkeeper at The Downs Crediton Golf Course, near Exeter, had increased his greenkeeping skills by becoming a marine salvage expert. Well guess what? He is at it again, he has now furthered his talents by becoming a Shepherd. It appears that at the end of August some cattle rustlers tried to steal some sheep from a farmers field near to the course. Yes you know what is coming next, the rustlers broke down a gate and instead of the sheep taking a left turn they went in the opposite direction, onto the course all 150 of them.

If this wasn't enough the rustlers tried to round them up, and in doing so drove over some of the greens. Having some members on the green is bad enough but sheep as well, especially when we are in a busy time of the season for club competitions. As Andy said, every cloud has a silver lining - he at least procured some organic fertiliser free of charge.

I would like to take this opportunity on behalf of the Section to congratulate Andy and his bride, who got married on September 24, providing of course he survived his stag night. Watch this space, I wonder how long it will be before Andy is shepherding his own little flock.

Very little news to report this month, however I would like to remind members the following dates to enter into their diaries as follows. The first Section meeting will be held at Mullion Golf Club on Wednesday October 12. Thursday November 3 is at Padbrook Park Golf Club and is a Soil Science Workshop. Wednesday November 16 is at Saunton Golf Club and is the AGM. Tuesday November 22 is the Regional Seminar at Cannington College. Very shortly I will have the fixture cards printed for this autumn and next spring, which all members will receive in the post.

Very little news to report this month, so if any member has any interesting news for the future please do not hesitate to contact me.
