Time You'll Treasure Forever

To turn the modern day phrase on its head when you've wasted time on something you'd rather not have been doing - "That's x amount of my life I'll never get back" - for those of you who attend Harrogate Week 2007 it will prove to be a case of "That's a week of my life I'll treasure forever." From an educational, commercial and recreational perspective you can be sure that it's time well spent.

The most comprehensive education programme that BIGGA has ever put together will get the brain going into overdrive, while four halls packed with exhibitors representing every element of the fine turf industry should ensure plenty of assistance with those difficult purchasing decisions. After a long day in the lecture theatres and the Halls where better than the restaurants and bars of Harrogate to share experiences and laughs with friends and colleagues?

And it's as valuable for the Harrogate rookie as it is to the experienced campaigner. Attend Harrogate Week and you can be sure you will leave with many more friends and acquaintances than you arrived. That equates to more shared experiences and more potential solutions to the types of greenkeeping problems that plague greenkeepers at every golf club in the country.
You'll never spend time more wisely.
