These witnessed presentations from BIGGA's Sales Manager, Rosie Hancher, and Brin Bendon, Vector Training. Topics covered included Developing and Using Networking Skills and the Importance of Good Body Language. The talks were followed by an open discussion regarding the current issues within the fine turf industry.

- 55% Body Language
- 32% Tone of Voice
- 7% Words

Others will only believe what they hear if we are congruent, that is if the body language and the tone of voice match the words.

"I am delighted to be involved in The Women's Forum which is going from strength to strength. The Forum provides an opportunity to learn skills that help you develop personally and professionally in a very friendly and relaxed environment. I was very pleased to meet so many new people this time - the word is spreading," stated Rosie.
