

Rachael and Gemma from Membership Services would like to welcome 73 new members to the Association and talk about the car breakdown cover available to members.

Competitive Car Breakdown Cover

BIGGA members have access to a competitive car breakdown package from Europ Assistance. The package covers your vehicle and is remarkably good value for money, as you can see from the table.

There are three levels of cover to choose from so all budgets and requirements are catered for:

The first level is Roadside Assistance and this covers you for incidents occurring at least one mile from home, it includes one hour of roadside labour and transportation to the nearest repairer. Roadside Assistance is available for £19.04.

National Recovery and Doorstep is the next level of cover and this includes everything in the roadside assistance package, as well as cover for incidents within one mile or at the owners home and, if your car cannot be repaired at the roadside - can get you home, to your original destination or a repairer of your choice. You are also covered for 24 hour car rental or overnight accommodation up to £100 if necessary. National Recovery and Doorstep is available for £44.95.

Finally National Recovery, Doorstep and European includes everything in the last two packages, as well as European Cover for trips of no more than 31 days. This is priced at £63.66.
