November 2005; Chipping Norton GC; National Championship: Course Construction: Fertilisers; Servicing

December 2005; Harrogate Week Preview; BIGGA Delegation; Environmental Competition; Fescue Debate; Irrigation

January 2006; Bearwood Lakes GC; Course Furniture; Nicklaus Design; Seed; Alternative Fuel; Disease Survey

February 2006; Cold Ashby GC; Netting; Chemical Fertilisers; Turf Construction

Chairman's Column

Looking to Youth

One of my first duties as Chairman was to represent our Association at the recent world summit in Atlanta with our Chief Executive, John Pemberton, and Deputy Chief Executive and Training Manager, Ken Richardson. The world summit has representatives from the following Associations; Asian Golf Course Owner, Canadian Superintendents, Federation of European Golf Greenkeepers, Superintendents Association of America, Superintendents of Ireland, Swedish Greenkeepers Association, Australian Superintendents, and German Golf Greenkeepers.

This annual event was held in Harrogate in 2005 and will be held in Sweden next year. The purpose of the summit is to share information and ideas between Associations globally. This has led to a collective agreement on global environmental guidelines and efforts. The working draft has identified that all golf courses worldwide must protect and enhance their environmental resources to protect the wonderful game

Course Managers globally have a major role to play as Course Managers are at the centre of all the necessary efforts to protect the environment: Water management, turf and pest management, energy and waste management, design and construction and wildlife and habitat management.

Also the summit agreed a worldwide draft job description for course managers that can be adapted to each country. If you would like more information please contact Ken Richardson at BIGGA HOUSE.

During my first two months of chairmanship many people have asked me what are my goals for the Association in 2006. First and foremost I intend to Chair our Association with dignity and pride, like all the Chairman have done before me. Also I intend to support our staff who, like many greenkeepers from time to time, come under unfair criticism. Where actions do need to be taken I can ensure you that the Chief Executive will take the necessary action. So come on lads and lassies lets get behind our team.

As many of you will be aware I have been involved in our Association from the start serving on Section Committee as Chairman and Secretary and on the regional board as Chairman, before having two years out after moving to Burnham & Berrow GC. Looking back I wondered how I got involved as a then young man and came to the following conclusion that I was always proud to be a member of an Association promoting greenkeepers as professionals. With this I was prepared to offer my free time to help propel the Association forward like many of you reading this article.

I then realised that my involvement didn't just happen as I received encouragement and support from many of my peers within the Devon and Cornwall Section their support and drive was infectious. With all the pressures placed on our profession today we seem not to have time today to encourage young greenkeepers to get involved at Section level. We must find a way to encourage our industry's future to be involved creating a balanced blend, where senior members can encourage and support our young guys and girls to develop their careers both at work and within our Association. Many of these young guys and girls will then overtime filter though to serve on region and national boards.

Talking about blends, I was lucky to meet up with the BIGGA Delegation, sponsored by Bernhard, to Atlanta. Yet again credit to the selection process (never easy), as this was a true blend of greenkeepers from all over the country. All the delegation had a common aim to gather information on greenkeeping methods on the other side of the pond.

I would like to personally thank Steven Bernhard for his sponsorship over the last six years, which has allowed 60 greenkeepers to further their greenkeeping education. Also to the Bernhard team who have organised and looked after all the delegations so well.

Champions of BIGGA

Robert Hogarth, East Scotland, is my choice for this month. Robert has recently moved to Remedy Oak Golf Club from Cardrona Hotel & Country Club. He has been in greenkeeping for 19 years.

Richard Whyman Chairman
