COURSE MANAGER

Established in 1903, this Private Members Club is an 18-hole mature woodland course situated in the village of Rogerstone in Gwent. The Golf Club hosts International, National and County events and is recognised as one of the premier inland courses in South Wales. The course is located in ancient woodland renowned for its scenic beauty. The neighbourhood provides good quality living accommodation, schools, shops and transport links. The Club has, over the last few years, invested heavily in modern greenkeeping equipment and facilities to ensure the Course is maintained to its optimum level.

The successful applicant must have a minimum of five years management experience and the ability to manage and motivate the greenkeeping team to maintain and develop the course to the highest standard of presentation.

Ideally the successful candidate will possess the following:

- NVQ/HNC or equivalent, plus spraying qualification. An A1 Assessor qualification would be an advantage.
- A sound knowledge of irrigation systems and machinery.
- Experience of current Statutory Health & Safety Regulations / COSHH.
- Ability to manage resources efficiently and exercise strict budgetary controls.
- Ability to formulate and execute a 5 year Course Policy Plan.
- Good communication skills and IT aptitude.

A competitive package is available.

Please apply in writing with a full CV by 31st January 2007 to:

TORO

Customer Care Representative Golf Key Accounts

Turf Maintenance Machinery After Sales

Lely is the UK and Ireland distributor for world-leading Toro professional turf maintenance machinery. The company also distributes Toro irrigation and consumer products in the UK.

As part of our aim to provide the highest standards of after sales service in the turf industry, we have an exciting opportunity for an experienced professional to join us as a customer care representative working in our Toro golf turf business.

This is a new position in which the successful applicant will work closely with the Key Accounts Manager, as well as support, and report to, the company's Operations Manager. As such, you will need to provide the highest levels of after sales assistance demanded by many of the biggest names in British golf.

To be successful, you will need to demonstrate a high level of professionalism, as well as a sound knowledge and experience of providing after sales support for turf machinery to end-users on the golf course. This starts with machine set-up and includes all aspects of servicing and maintenance.

The job involves nationwide travel throughout England, Scotland and Wales, so a full, clean driving licence is essential. Lely itself is a long-established, leading name in the turf machinery distribution industry. And for this key position we are offering a full remuneration and benefits package, including a company car, plus pension and life insurance scheme (after qualifying period).

Please apply in writing or by email, with full CV and details of existing remuneration and benefits to: Christine Wilson, Lely (UK) Limited, 1 Station Road, St. Neots, Cambridgeshire, PE19 1QH. Tel: 01480 226800, or email cwilson@lely.co.uk

Closing date for receipt of applications is 31 January 2007.
