

SUN SHINES ON JOHN DEERE QUARTET

For the first time in its 10 year history the BIGGA Golf Day, now known as the Neil Thomas Memorial Golf day, in tribute to the Association's first Executive Director, was postponed because Aldwark Manor Hotel's golf course was flooded on the day in June for which it had been scheduled.

It was therefore a great relief when curtains were drawn back on Monday September 10 to see sunshine, a little breeze and no sign of rain!

The day that followed would have done June proud and left some disappointed that they were coming into form with Christmas on the horizon rather than a golf packed summer!

In a competitively fought contest John Deere, Captained by David Hart, and with David Norton Course Manager at Aldwark Manor's sister course of Forest Pines, within their number, sneaked home by a single point from two teams Colourstream and Hayter who were divided only by Colourstream's better inward half.

The prizes were presented, as always, by Neil Thomas' widow, Elaine.

RESULTS.

1st	John Deere	88 pts
2nd	Colourstream	87 pts (bih)
3rd	Hayter	87pts
