# Whats your Number?

**Name:** Ian Howard  
**Company:** Dennis  
**Position:** Managing Director

**How long have you been in the industry?**  
 "Since 1986."

**How did you get into it?**  
 "I was invited to join the family engineering business by my father. He had acquired Dennis from the administrators in 1981 and had moved it all up to our engineering works at Derby."

**What other jobs have you done?**  
 "I graduated in Mining Engineering in 1981 from Camborne School of Mines and then went out to South Africa for three years working at Western Deep Levels Gold Mine as a graduate trainee. Working 10,000 feet underground in 50 degree heat and 100% humidity was a great experience I wouldn't have missed for the world."

**What do you like about your current job?**  
 "Challenges, seeing the products on TV, the results and the great group of people in the industry."

**What changes have you seen during your time in the industry?**  
 "Lots of comings and goings. In 1986 we at Dennis were the new boys on the block. Since then so many manufacturing companies and dealers have been sold, taken over or closed down - the people remain in the groundscare business just in different seats. Engineering in the UK is a real challenge and the need to invest is huge. British Engineering is now on a much better footing and I am confident it has a strong future."

**What do you like to do in your spare time?**  
 "Julia, my wife and I have a stock farm about five miles from work and keep around 400 sheep and meat goats. That keeps us pretty busy. I love dinghy sailing with my two kids, walking, cycling and the odd glass of good wine with good food. Holidays - we love exploring new places - our favourite is Namibia."

**Where do you see yourself in 10 years time?**  
 "I hope retired to the farm taking things a bit easier and having more holidays."

**Who do you consider to be your best friends in the industry?**  
 "This is a very friendly business. You get to meet all sorts in groundscare, customers, dealers and of course all of the other manufacturers. The Dennis workforce has a great team spirit. The shows such as BTME, Saltex and Scotsturf are great meeting places for everyone."

**What do you consider to be your lucky number?**  
 "1."

**Pick a number**  
 "Number 1."  
*Ian has picked Bernard Hedley from Rigby Taylor*
