RECRUITMENT

# It's all about drive

## The Grove, Hertfordshire

At the heart of the UK's largest family-owned hotel group, we're deeply committed to friendly, sincere service – and as far from an impersonal corporate organisation as you can imagine. As an employer, we'll always go the extra mile to make you happy and help you pursue your goals, giving you all the skills to provide outstanding service to guests at our five star Hertfordshire hotel, set amid 300 stunning acres of parkland and woodland.

### Spray Technician/Senior Greenkeeper

Under the supervision of the Golf Course Manager, you will perform chemical applications on the Golf Course and Estate and apply fertilisers to all turf areas.

In this senior dual position, you will be responsible for reviewing and adhering to Material Safety Data Sheets (MSDS) and maintaining all applications of pesticides to comply with COSHH regulations. You will also be responsible for assisting the Golf Course Management team

in maintaining and managing the golf course and its colleagues. The compilation of preliminary reports of pesticide usage, stock control and fertiliser applications for the Golf Course Manager will also be a requirement of this role.

In recognition of your ability, we offer an excellent salary and benefits package, including childcare facilities as well as opportunities for professional development.
