

Recruitment

HEAD GREENKEEPER

The Attersee-Traunsee Golf Club require an experienced Head Greenkeeper from 1st March 2011. This 18 hole members' course is situated midway between Salzburg and Linz in an area of outstanding natural beauty. Large lakes and mountains are a 10 minute drive and provide superb facilities for outdoor activities.

ESSENTIAL REQUIREMENTS

Experienced and qualified to an appropriate level.
The ability to communicate in German to a good standard.
Have the ability to lead, organise, motivate and develop a teamwork attitude within the staff. Possess an eye for detail with the ability to manage/control a budget.

REWARDS

The opportunity to raise a good quality parkland course, with top class practice facilities, to a higher level.

To work in an area where good quality work is recognised and valued.
To live in a region with excellent quality of lifestyle.

The salary is negotiable but will be in line with BIGGA salary scales. There is no accommodation but assistance with relocation costs will be considered.

Initial interviews will be in the UK and all applications (including CV) should be sent online to aw@atterseegolf.at by 31st December.
Visit our website at www.atterseegolf.at

Randaberg Golfklubb, Norway Greenkeeper

Randaberg Golf Klubb is a friendly 9 hole private members club with 630 members. Opened in 1999 it is a links type course 15km north of central Stavanger. The club is looking for a hands on Greenkeeper with machine maintenance, irrigation and spraying experience to join the team.

The Greenkeeper with help from a part time assistant would be responsible for the general upkeep and development of the Golf Course. This is a fantastic opportunity for a forward thinking, enthusiastic individual. The ability to plan your own and your assistants work schedules, and work to agreed budget is essential. You will have a flexible working hours. This position is seasonal with a 9 month contract each year. A competitive salary will be offered. There is excellent accommodation available.

Interviews will be held in Dundee in December 2010, being able to start at the beginning of March 2011.

For further details, please contact Fraser Mudie at fmudie@hotmail.com or Telephone 0755 2732996 www.randaberg-golf.no

The Diamond Country Club, Austria, is looking to recruit various positions for the opening of season 2011 (March 1st)

Applications are open for the positions of:

Deputy Head Greenkeeper Irrigation technician Mechanic and Greenkeepers

The Diamond Country Club, host this year to the 2010 Austrian open is looking to expand and strengthen its existing team. Under new ownership the 27 hole complex and John Carnegie Golf Academy aims to maintain, develop and improve its facilities with an ongoing expansion project for the following years. Applicants will be accommodated close to the golf course as part of their 9 month seasonal package. The Ability to work within a team and as an individual is key to these positions. Spraying and chainsaw qualifications with experience on all machines types will be seen highly in your favour.

Applicants will be highly self motivated, competent in all aspects of modern greenkeeping, punctual and reliable.

Please contact, stating which position is of interest to you:

Head Greenkeeper, Russell Ellingworth at cedricruss@hotmail.com

Applications are open until December 31st

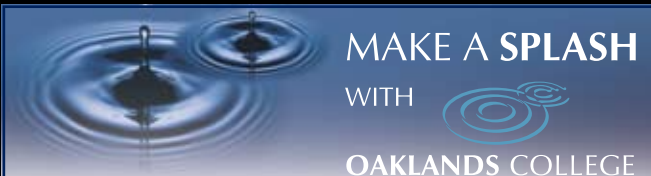

Qualified Full Time Greenkeeper – Epsom, Surrey

Maple Leaf Golf, owner/operator of Chichester and Hill Barn Golf Clubs is looking for a highly motivated, greenkeeper to join the team.

An exciting opportunity exists to join our team of dedicated professionals who have already significantly improved the course and facilities at Horton Park. A new team member is needed to assist with the remodeling of the first three holes and to build on the impressive improvement in the facilities since Maple Leaf Golf took over in 2009. We are looking for a level 2 qualified greenkeeper with a minimum of two years experience and who preferably holds all relevant spraying certificates. However, consideration will be given to candidates with less experience who can show a real 'can do' attitude.

Contact Wendy Wright for a Job Specification and Application Form on 0208 393 8400 or email wendy@hortonparkgolf.com
Alternatively, full details are available at www.hortonparkgolf.com

Closing date for applications is Monday 13th December.

Oaklands College is located in the historic city of St Albans, set in the heart of the Hertfordshire countryside yet only half an hour from London. We are moving forward on a path towards achieving 'outstanding' status and welcome those professionals who want to develop their skills with us and truly unlock their potential.

NVQ Assessor – Horticulture (Sportsturf/Greenkeeping)

37 hours per week

Salary range £22,776 to £28,050 per annum

Do you have a passion for horticulture in general and sportsturf/greenkeeping in particular and working in the industry?

Do you have commitment to educational values?

We are looking for an assessor to advise and support candidates through the assessment process from entry point to external verification. The successful candidate will also have experience of increasing the number of students within this curriculum area or be able to demonstrate strong links with the sportsturf industry.

Ideally you will possess Assessor's award A1 or D32/D33, have a minimum of a Level 3 Horticulture qualification with Sportsturf or Greenkeeping specialism and have recent industrial experience. Ability to travel is essential.

For full details of this role, application forms and information on working at Oaklands College, please visit our website: www.oaklands.ac.uk

For further information please email: liz.moore@oaklands.ac.uk

Closing date:
31st December 2010

TORO. PRODUCT SPECIALIST After Sales Support

Lely UK is the exclusive distributor in the UK for the world-leading Toro range of professional turf maintenance machinery and irrigation products, consumer lawnmowers and garden accessories.

We are looking to recruit a Product Specialist to manage the technical after sales support activities of our dealers and service centres, monitoring product performance and liaising with corporate account customers to ensure first-class after sales support.

The successful applicant will have a formal qualification in an engineering subject, a practical background with knowledge of workshop best practice and a full understanding of mobile equipment, electrical/hydraulic systems, engines and transmissions. Candidates should also have good communication skills and be proficient in Microsoft Office and Windows.

The position requires travel around southern England and you may be expected to work from home depending on your current location.

In return we offer a competitive package including company car and pension.

If you have the qualities we are looking for, please apply with CV to Sharon Saunders at the address below, or email ssaunders@lely.com
